A-Z of Silk Ribbon Flowers By Ann Cox

Perfect for beginners, this project guide features step-by-step instructions and stunning close-up photography for more than 30 flower designs in a wide variety of styles. A comprehensive tutorial on techniques covers all of the basic skills needed to make beautiful ribbon flowers, including how to handle and work with ribbon, transfer a design to fabric using a template, and paint ribbons and backgrounds to achieve different effects. Each design includes a template and diagrams while inspirational ideas for variations on the main design expand the range and style of the projects. Information on ribbon stitches and gathering techniques and types of materials rounds out this useful reference.

Editorial Review

Review

I love this book full of gorgeous flowers in sumptuous coloured silks. This A-Z is just fantastic. I love the Zantedeschias, Violas, poppies and more. There's a how-to, guide to materials and painting your own ribbons, transferring designs and techniques. Stitches are clearly shown. Each design has a template you need to enlarge, good photographs and clear instructions. The instructions are written rather than shown in step by step photographs. Very realistic looking flowers and a book to treasure for many years.-
