### Dark Souls: A Novel By Paula Morris

Welcome to York, England.

Mist lingers in the streets. Narrow buildings cast long shadows.

This is the most haunted city in the world. . . .

Miranda Tennant arrives in York with a terrible, tragic secret. She is eager to lose herself amid the quaint cobblestones, hoping she won't run into the countless ghosts who supposedly roam the city. . . .

Then she meets Nick, an intense, dark-eyed boy who knows all of York's hidden places and histories. Miranda wonders if Nick is falling for her, but she is distracted by another boy -- one even more handsome and mysterious than Nick. He lives in the house across from Miranda and seems desperate to send her some sort of message. Could this boy be one of York's haunted souls?

Soon, Miranda realizes that something dangerous -- and deadly -- is being planned. And she may have to face the darkest part of herself in order to unravel the mystery -- and find redemption.

**From *Dark Souls***

*She moved to twitch the curtain back into place, but something stopped her. A light flickering-the tiniest light. A candle.*

*The ghost was there.*

*Miranda froze, still clutching one of the curtains. He was even more breathtaking this second time, his face like chiseled marble. Tonight he wasn't smiling at all, but his eyes were warm, velvety dark. Miranda wished there weren't two closed windows-and a stretch of very cold open air-separating them. She wanted to talk to him.*

*The ghost opened his mouth: was he trying to say something?*
