Editorial Review

From Publishers Weekly

Originally published in 1983 as *Four Valentines in a Rainstorm*, Felicia Bond's *The Day It Rained Hearts* follows young Cornelia Augusta as she makes creative use of a most unusual downpour. Along with the name change, Bond's offering has also been enlarged, adding a generous white frame around sweet and simple vignettes of Cornelia fashioning a quartet of handcrafted Valentine's Day cards; includes a heart-themed sticker sheet.

Ages 3-5. Originally published in 1983 as *Four Valentines in a Rainstorm*, this sweet book remains the same except for a new cover. Still, many libraries will no longer have the original, and this is a good choice for holiday shelves. Young Cornelia is walking along when it starts raining hearts. Catching them in her hand and in her yellow slicker, she takes them home to make valentines. Because each heart is different, she is able to make very special cards for her special friends. The small watercolor-and-ink illustrations in the center of each snowy page give the spreads a cozy feel. Little ones will enjoy watching as Cornelia catches her hearts and decides what to do with them, and they will appreciate the happiness the valentines bring to Rabbit, Turtle, Mouse, and Dog. Copyright information mentions sticker art, but that did not appear with the galley. *Ilene Cooper*
