Editorial Review

From School Library Journal

Gr 9 Up-Tessa Waye was Wicket Tate's best friend until five years ago when Wick's drug-dealing father drove them apart. When Tessa commits suicide and her diary is left on the teen's front steps, Wick suspects there might be a dark reason she jumped to her death. Wick and her sister, Lily, are now free of their criminal father, living a shiny new life on the ritzy side of town with their foster parents. But Wick resists the temptation to immerse herself in this white-picket-fence lifestyle. She's always ready to run, or hide, because she fears her father will come back for them. Wick, an untrusting outcast, is an antiheroine to root for. Distraught by Tessa's fate and her own past, she sets out to use her hacking skills to track down the man responsible for her ex-friend's death. She is all too aware of her talent but woefully ignorant of her redeeming qualities that cause Griff, a fellow hacker, to fall in love with her. Bernard's debut is notable for its readability, genre-crossing blend of thrills and romance, and its something-for-everyone qualities.-Jamie-Lee Schombs, Loyola School, New York Cityα(c) Copyright 2013. When a dead girl's diary is left on 16-year-old Wick's doorstep, she decides to use her skills as a hacker to investigate. It turns out that the girl committed suicide after her involvement with a pedophile, whose attentions drove her to the fatal act. Things then get personal when it appears that Wick's younger sister, Lily, is the pedophile's next target. Meanwhile, Wick's brutal, drug-dealing father, who is on the run from police, appears and is determined to involve his daughter in a computer scam. How will Wick handle all of this? Will her growing friendship with her computer lab partner, Griff, help? Yes, there is a lot going on in Bernard's suspenseful first novel. Although the subplot about Wick's father veers dangerously close to the gratuitous, Bernard still manages to keep a successful handle on her disparate story lines, maintaining the fast-paced, nail-biting action of this compulsively readable mystery, which will have readers on the edge of their seats. Clearly, Bernard's debut is an auspicious one that will leave readers hungry for more. Grades 9-12. --Michael Cart
