Learn to Quilt-as-you-go: 14 Projects You Can Finish Fast By Gudrun Erla

Discover a fast-and-fun method of creating (and completing!) quilted projects. When the piecing is finished, so is the quilting! With step-by-step guidance, Gudrun Erla takes you beyond the straight-line piecing associated with the quilt-as-you-go technique to include triangles, squares, and strips, plus the illusion of curves--all in her clean, contemporary style. Start with the basics: learn to choose materials, cut, mark, baste, and sew the patchwork through all the layers. Build on the basics with quick-to-stitch projects--coasters, place mats, table runners, and small quilts. Sew by number, add triangles, insert prairie points, and use multiple techniques together.
