The Arab-speaking nations are becoming more and more important in American and world affairs, but there are few reliable language resources to help bridge the gap between languages and culture. The *Oxford Essential Arabic Dictionary* is a brand-new, compact Arabic-English and English-Arabic dictionary that offers up-to-date coverage of all the essential day-to-day vocabulary of both languages, with over 16,000 words, phrases, and translations.

This compact paperback is easy to use and authoritative, making it ideal for students, travelers, and anyone else who needs a portable and reliable resource on English and Arabic. The vocabulary is completely up to date and includes high-profile words and phrases not found in most of the competing dictionaries of this size and larger, including such words as *broadband*, *browser*, *cell phone*, *DVD recorder*, and *flight attendant*.
