Pocket Guide: Birds of Southern Africa (The Pocket Guide) By Ian Sinclair

New in Struik Nature's Pocket Guide series, this book covers an astonishing 500 southern African birds, yet is small enough to fit in your pocket. It is loaded with information that makes for quick and easy bird identification:

- * Color photographs show each bird, giving both male and female images where there's a difference
- * Concise text pinpoints key identification features
- * Distribution maps locate each species in the region
- * Calendar bars show the months when the birds are more likely to be seen
- * Bird size and breeding months are indicated. For use at home or when traveling to new climes, this handy pocket guide will be an indispensable companion.

Editorial Review

About the Author

IAN SINCLAIR is renowned in African birding circles for his field knowledge and expertise in identifying the region's many bird species. His vast experience has been gained in expeditions to every corner of Africa, as well as to the Himalayas, Antarctica and Marion Island. He has authored or co-authored many successful bird books, including the hugely successful *Field Guide to Birds of SA* and the equally successful *Birds of Africa South of the Sahara*.

Users Review

From reader reviews:

Barbara Taylor:

What do you concentrate on book? It is just for students since they are still students or it for all people in the world, the particular best subject for that? Just you can be answered for that query above. Every person has diverse personality and hobby for every single other. Don't to be obligated someone or something that they don't wish do that.
