### Editorial Review

#### Review

"It is always a treat to [hear] a Nero Wolfe mystery. The man has entered our folklore." -- *The New York Times Book Review*

"Los Angeles actor Michael Prichard provides a lively rendition of a Nero Wolfe mystery revolving around an eccentric genius who searches for the killer of his best friend. International espionage and high drama set in post-World War II mark an audio which proves suspenseful to the end." -- *The Bookwatch*, December 1997

#### About the Author

Rex Stout (1886-1975), inimitable master of detective fiction, wrote 73 mysteries. His career also included writing three novels, chairing the War Writers' Board, and mobilizing public opinion against the use of nuclear devices.

Nero Wolfe fans may be surprised when the detective who never leaves home embarks on an international adventure. He sneaks into Yugoslavia, manipulates communist officials and anti-communist guerillas, climbs craggy hills, and hunts down his adopted daughter's killer. His sidekick, Archie Goodwin, is right beside him, pulling knives and guns on cue and narrating the adventure with his trademark dry wit. Michael Prichard's narration is strong and fluid, his voice resonant. His pacing is as perfect as his portrayal of Wolfe. Readers accustomed to Timothy Hutton's Archie Goodwin on A&E might be jarred initially but are likely to be drawn in by Pritchard's powerful performance. The peek inside Tito's Yugoslavia in the mid-twentieth century is a fascinating plus. E.S. © AudioFile 2007, Portland, Maine-- Copyright © AudioFile, Portland, Maine
