### The Wee Free Men (Tiffany Aching) By Terry Pratchett

The first in a series of Discworld novels starring the young witch Tiffany Aching.

A nightmarish danger threatens from the other side of reality. . . .

Armed with only a frying pan and her common sense, young witch-to-be Tiffany Aching must defend her home against the monsters of Fairyland. Luckily she has some very unusual help: the local Nac Mac Feegle—aka the Wee Free Men—a clan of fierce, sheep-stealing, sword-wielding, six-inch-high blue men.

Together they must face headless horsemen, ferocious grimhounds, terrifying dreams come true, and ultimately the sinister Queen of the Elves herself. . . .

## Editorial Review

### Amazon.com Review

Nine-year-old Tiffany Aching needs magic--fast! Her sticky little brother Wentworth has been spirited away by the evil Queen of faerie, and it's up to her to get him back safely. Having already decided to grow up to be a witch, now all Tiffany has to do is find her power. But she quickly learns that it's not all black cats and broomsticks. According to her witchy mentor Miss Tick, "Witches don't use magic unless they really have to...We do other things. A witch pays attention to everything that's going on...A witch uses her head...A witch always has a piece of string!" Luckily, besides her trusty string, Tiffany's also got the Nac Mac Feegles, or the Wee Free Men on her side. Small, blue, and heavily tattooed, the Feegles love nothing more than a good fight except maybe a drop of strong drink! Tiffany, heavily armed with an iron skillet, the feisty Feegles, and a talking toad on loan from Miss Tick, is a formidable adversary. But the Queen has a few tricks of her own, most of them deadly. Tiffany and the Feegles might get more than they bargained for on the flip side of Faerie! Prolific fantasy author Terry Pratchett has served up another delicious helping of his famed Discworld fare. The not-quite-teen set will delight in the Feegles' spicy, irreverent dialogue and Tiffany's salty determination. Novices to Pratchett's prose will find much to like here, and quickly go back to devour the rest of his Discworld offerings. Scrumptiously recommended. (Ages 10 to 14) --*Jennifer Hubert*

### From School Library Journal

Grade 6–10—This new edition of the first book in Pratchett's excellent "Tiffany Aching" series (HarperTempest) features full-color illustrations that are true to the author's keen descriptions. Fans of the original won't find faults: Tiffany looks like a true nine-year-old, and the blue-skinned Wee Free Men seem appropriately fierce and funny at the same time. Three well-chosen foldouts show key plot transitions as Tiffany first sees the Wee Free Men, later steps into the fairy world, and ultimately unleashes her full powers. Plentiful spot illustrations and creative use of space show that the illustrator has clearly entered into the spirit of Tiffany's world. Significant words occasionally appear behind the text in light gray, appropriate for a girl who has read the dictionary (because "no one told her you weren't supposed to"). Line drawings of Wee Free Men frequently appear along page borders as they hang from, climb up, and occasionally steal the letters of the text. Recurring passages that tell the backstory of Tiffany's Granny, merely italicized in the original edition, are now cleverly highlighted by insets resembling yellowed paper. Pratchett's expertly written fantasy works fine without any pictures, but these attractive images are quite effective without overwhelming the words. For less sophisticated readers, the visual elements may serve as reference points to help them navigate the rich setting and cohesive but complex plot.—*Steven Engelfried, Multnomah County Library, OR*

### From [Booklist](#)

Gr. 6-10. Pratchett turns the bogeymen of fairy tales and nightmares into reality in the latest book in his popular, comedic Discworld series. Young Tiffany Aching, incipient witch armed with a large iron frying pan, goes after the Elf Queen, who has taken Tiffany's little brother into Fairyland and who plans to use humans' dreams to conquer their world. Tiffany's companions on her quest are a talking toad, who used to be a human, and a band of fierce Wee Free Men, who are six inches tall, talk with a Scottish brogue, and are famous for "stealin' an' drinkin' an' fightin'!" The action is both manic and a little scary as the queen confronts her pursuers with a headless horseman, dreams that trap dreamers inside them, and more. In the end, Tiffany must face the Queen alone while attempting to sort out reality from nightmare. Both the humor and the danger will appeal to fans of Discworld; they will also draw readers who like J. K. Rowling's Harry, Hermione, and Ron. *Sally Estes*

## **Users Review**

### **From reader reviews:**

#### **Audrey Thompson:**

Do you have favorite book? When you have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world. Each book has different aim or even goal; it means that guide has different type. Some people sense enjoy to spend their time and energy to read a book.
