Claimed By Shadow (Cassie Palmer Book 2) By Karen Chance

Clairvoyant Cassie Plamer has inherited new magical powers-including the ability to travel through time. But it's a whole lot of responsibility she'd rather not have. Now she's the most popular girl in town, as an assortment of vamps, fey, and mages try to convince, force, or seduce her-and her magic-over to their side. But one particular master vampire didn't ask what Cassie wanted before putting a claim on her. He had a spell cast that binds her to him, and now she doesn't know if what she feels for him is real-or imagined...

Editorial Review

Review

A fair maiden tough enough to kick [vampire] butts. -- *Rebecca York, USA Today* bestselling author *Shadow of the Moon*

An engaging heroine. -- *Kelley Armstrong, USA Today* bestselling author of *Broken*

Like the previous novel, CLAIMED BY SHADOW is a non-stop thrill ride from beginning to end, a wildly entertaining romp with a strong, likeable heroine. The story is fast-paced and barely lets up from the word "go," lightened with plenty of wry humor and more than a dash of romance. In Cassie's last adventure, TOUCH THE DARK, the focus was on vampires. Here, we see more about the mages, especially Cassie's nemesis Pritkin. It's obvious that Chance has even more wonders to reveal, and I am very much looking forward to the next installment of Cassie's adventures. -- *Rambles.com*

Magic aplenty populates this fast moving, rather dark tale of power, corruption, double-dealings and painful attractions as Cassie comes to grips with her new role in this follow-up to TOUCH THE DARK. It is nice to see a strong, capable heroine taking charge with a kick butt attitude while attempting to balance right and wrong in the face of impossible odds. -- *monstersandcritics.com*

Ms. Chance is a master at fleshing out her secondary characters and keeping her storyline moving at a lightening fast pace. Cassie remains the funny and smart heroine we came to love in book one. She solves her own problems and trusts her intuition. This is a series well worth getting hooked on. -- *FreshFiction.com*

The much anticipated sequel to TOUCH THE DARK, CLAIMED BY SHADOW picks up right where Cassie left off in the first book, infused with a power she doesn't want. From tacky Vegas showgirl costumes to moveable tattoo parlors to a zombie Elvis, Karen Chance takes readers on another wild ride with never-ending action. CLAIMED BY SHADOW should not be missed. -- *Romance Reviews Today*

The second installment of Karen Chance's paranormal fantasy saga to feature psychic Cassandra Palmer (after 2006's Touch the Dark) explores new territory, as the 23-year-old heroine is forced to deal with the unfathomable power -- and danger -- associated with being the heir to the Pythia, the world's most influential clairvoyant. Palmer's newfound position makes her a prime target for supernatural factions (vampires, the Fey, mages, etc.) looking to monopolize -- or simply destroy -- her powers. To complicate matters, Palmer learns that someone, most likely a 500-year-old master vampire who happens to be Dracula's older brother, has put a "geis" on her, a magical bond that not only deters any potential suitors but also makes Palmer irrationally attracted to her supernatural subjugator. But when she vows to remove the geis, she finds herself an unwilling pawn in the middle of a dangerous power play...

Blending contemporary fantasy, romance, and horror into an appetizing literary amalgam, the crossover appeal of Chance's Cassie Palmer saga will undoubtedly find a more than welcoming audience with fans of authors like Laurell K. Hamilton, Kim Harrison, and Charlaine Harris. Chance's left-of-center sense of humor -- in particular, bastardized Latin one-liners like "stercus accidit" -- makes this relatively lighthearted series a fast-paced and highly entertaining read.-Paul Goat Allen -- *Explorations SF/F Reviews*

From the Back Cover

Clairvoyant Cassie Palmer has inherited new magical powers-including the ability to travel through time. But

it's a whole lot of responsibility she'd rather not have. Now she's the most popular girl in town, as an assortment of vamps, fey, and mages try to convince, force, or seduce her-and her magic-over to their side. But one particular master vampire didn't ask what Cassie wanted before putting a claim on her. He had a spell cast that binds her to him, and now she doesn't know if what she feels for him is real-or imagined...

About the Author

Karen Chance grew up in Orlando, Florida, and has also lived in France, Great Britain, Hong Kong, and New Orleans. She is the bestselling author of the Cassie Palmer series and the Dorina Basarab series, and her stories have appeared in the anthologies *On the Prowl* and *The Mammoth Book of Vampire Romance*.

Actress Cynthia Holloway, a native of Seattle, Washington, has performed on stage, film, and television. She has lent her voice to television programs, radio and television commercials, video games, and audiobooks. Cynthia's most recognizable work is as the voice of Anita Blake in Laurell K. Hamilton's bestselling *Vampire Hunter* series.
