How to Sail Around the World : Advice and Ideas for Voyaging Under Sail

By Hal Roth

A new classic from one of the world's most respected sailing authors

More than 35 years ago, Hal Roth quit his job as a journalist and went sailing. Since then, he's logged more than 200,000 sea miles. Along the way, Roth also has authored eight voyaging classics, including the 1978 bestseller *After 50,000 Miles*.

Taking that book as its starting point, this handsome new volume incorporates the new technologies and discoveries of the last quarter century along with another 150,000 miles of experience.

A compendium of mature, time-tested sea wisdom from one of the world's most respected sailing writers, *How to Sail Around the World* will tell the reader:

- How to choose and equip a sailboat for long-distance cruising, with an emphasis on simplicity and a modest budget
- How to plan and conduct a voyage anywhere in the world
- How to master the arts of navigation, anchoring, and daily life aboard in exotic places
- How to cope with storms at sea--the most complete and authoritative treatise on this critical topic ever published

Editorial Review

From the Back Cover

Whether you'd like to sail around the entire world or just part of it,

the well-tested sea wisdom in *How to Sail Around the World* will make your voyage easier and more successful. Here's clear and authoritative information on how to buy a small sailing yacht at a modest price, how to sail her on a big ocean, and what it's like to live aboard.

Hal Roth has been a long-distance sailor for 37 years. He has sailed around the world three times and has logged 200,000 miles at sea either with his wife or by himself. His books *Two Against Cape Horn*, *Two on a Big Ocean*, and *Always a Distant Anchorage* are recognized classics of voyaging literature, and his instructional book *After 50,000 Miles*, published a quarter century ago, ranks among the most influential sailing books ever written. Yet Roth's first sympathies are still "for the beginner with stars in his eyes and not much money," and *How to Sail Around the World* emphasizes the simple, the essential, and the affordable for ordinary people who would like to see the world from a new and challenging perspective.

To a rare degree, Roth combines a mastery of technical content with an ability to render it in elegant writing that's a pleasure to read. *How to Sail Around the World* is at once authoritative and accessible. Roth's strongly held opinions, convincingly argued (he chooses not to sail with a refrigerator, for example), add to the book's appeal.

How to Sail Around the World will tell you how sailing yachts are built and rigged, how to handle the sails, and what you need to know about anchors and anchoring. There are details of cooking and eating aboard, sailing at night, planning the trip, foreign paperwork, and exact figures on what it all costs, as well as the clearest and most comprehensive directions ever published on how to deal with storms at sea.

In the beginning, voyaging can be a terrifying prospect. The storms, the leaks, the anchoring, handling the sails, deciding on the route--so many unknowns. But what a payoff! You can sail to Venice, London, Sydney, San Francisco, or Hong Kong. You can pick an island in the middle of the Aegean, listen to green and yellow parrots in the wilds of the Amazon, or visit a thousand places in between. It's exciting to sail to a distant landfall at a slow and leisurely pace, and to meet people in foreign lands.

Fortunately, yachts travel slowly and give you time to learn the fundamentals of long-distance sailing. With patience you will begin to put it all together; life aboard will suddenly start to click. It will happen sooner than you think, and this book will help you.

The big secret of world travel is to do it in a sailing yacht.

You take your deluxe hotel with you, which gives you everything you need to exist pleasantly and comfortably--a snug berth, a writing desk, a navigation center, and a compact little galley--all in a small and neat package.

Once you have your own boat, you can sail for years without the terrible daily costs and hassles of hotels, restaurants, and airplanes. You entirely sidestep the annoyance of reservations, standing in line, security screening, and dragging around awkward luggage. You do things at your own pace because you're in charge.

Where do you begin?

Start by reading *How to Sail Around the World*. In this guide, based on 200,000 miles of hands-on world-cruising experience, Hal Roth gives you all the information you need to plan, launch, and relish every moment of a journey that is every sailor's dream. You'll learn how to:

- Find a suitable boat for your voyaging
- Assemble a versatile sail inventory
- Select tools and spare parts
- Plan your route and timing
- Choose the right anchors and how to use them
- Minimize costs
- Stay warm, dry, and well fed
- Cope with paperwork in foreign ports
- And much more!

About the Author

Hal Roth has raced around the world singlehanded in the BOC Challenges of 1986 - 87 and 1990 - 91. He has crossed the Pacific five times, the Atlantic eleven times, and has rounded Cape Horn three times. In all he has logged 200,000 miles. He is the author of ten books of high adventure, including *After 50,000 Miles*, *Two Against Cape Horn*, *Two on a Big Ocean*, and *Always a Distant Anchorage*, which rank among the true classics of voyaging literature. A veteran journalist, Roth has written 400 articles for magazines.

Users Review

From reader reviews:

Otis Kozlowski:

The book *How to Sail Around the World : Advice and Ideas for Voyaging Under Sail* can give more knowledge and also the precise product information about everything you want. Why then must we leave the best thing like a book *How to Sail Around the World : Advice and Ideas for Voyaging Under Sail*? A number of you have a different opinion about guide. But one aim that will book can give many facts for us. It is absolutely appropriate. Right now, try to closer along with your book. Knowledge or facts that you take for that, you may give for each other; it is possible to share all of these. Book *How to Sail Around the World : Advice and Ideas for Voyaging Under Sail* has simple shape but the truth is know: it has great and big function for you. You can seem the enormous world by wide open and read a reserve. So it is very wonderful.

Cheryl Thornton:

As people who live in often the modest era should be update about what going on or data even knowledge to make these individuals keep up with the era that is certainly always change and move forward. Some of you maybe may update themselves by looking at books. It is a good choice for yourself but the problems coming to anyone is you don't know which you should start with. This *How to Sail Around the World : Advice and Ideas for Voyaging Under Sail* is our recommendation so you keep up with the world. Why, because book serves what you want and wish in this era.

Clifford Jones:

The reason why? Because this *How to Sail Around the World : Advice and Ideas for Voyaging Under Sail* is an unordinary book that the inside of the book waiting for you to snap this but latter it will distress you with the secret the item inside. Reading this book next to it was fantastic author who have write the book in such wonderful way makes the content inside easier to understand, entertaining method but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of positive aspects than the other book get such as help improving your ability and your critical thinking technique. So , still want to hesitate having that book? If I have been you I will go to the reserve store hurriedly.

Paul Avila:

Playing with family within a park, coming to see the water world or hanging out with good friends is thing that usually you may have done when you have spare time, then why you don't try matter that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love *How to Sail Around the World : Advice and Ideas for Voyaging Under Sail*, you are able to enjoy both. It is fine combination right, you still want to miss it? What kind of hang type is it? Oh come on its mind hangout fellas. What? Still don't buy it, oh come on its called reading friends.
