Comparative Politics By Daniele Caramani

Now in a new edition, *Comparative Politics* provides an exciting and authoritative introduction to all of the core areas of the field. Featuring a diverse range of perspectives from expert international contributors, it explores the methods and theories of comparative politics and also examines the institutions, actors, processes, and policies at the heart of political systems around the world. The selections elucidate the major themes and also present students with a wealth of empirical data and examples--drawn from both developing regions and industrial countries--that demonstrate similarities and differences in practice and encourage further research. The text is enhanced by excellent pedagogical features including readers' guides, key points, questions, a guide to further reading, text boxes, and a glossary.

Editorial Review

Review

An extraordinarily ambitious book by an impressive roster of accomplished authors. They cover, in an authoritative way, a range of important topics in comparative politics. There is sufficient material here to please teachers of many different types of course. Michael J. Laver, New York University This user-friendly textbook strikes an unmatched balance between analytics and empirics, methods and theories, structures, institutions, and actors. Simply the best textbook on comparative politics. Stefano Bartolini, European University Institute With greater geographical coverage, top-class contributors, and detailed online resources, this new edition of Comparative Politics is a key text for any comparative politics course. Ian McAllister, Australian National University The third edition of Comparative Politics updates the text throughout with particular reference to Arab Spring and its aftermath, the financial and economic crises, and right-wing populism. This makes it even more essential than it was for teachers, students, and analysts alike. I warmly commend it to them. Ian Budge, University of Essex

About the Author

Daniele Caramani is Chair of Comparative Politics, Head of the Department of Political Science, Co-Director of the Institute of Political Science, and Vice-Dean of the School of Economics and Political Science at the University of St. Gallen in Switzerland.

Users Review

From reader reviews:

Brian Dunlap:

This Comparative Politics book is simply not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is usually information inside this publication incredible fresh, you will get data which is getting deeper you read a lot of information you will get. This Comparative Politics without we recognize teach the one who looking at it become critical in thinking and analyzing. Don't possibly be worry Comparative Politics can bring once you are and not make your handbag space or bookshelves' become full because you can have it in your lovely laptop even cellphone. This Comparative Politics having fine arrangement in word and also layout, so you will not sense uninterested in reading.

Anthony Harrison:

Are you kind of active person, only have 10 or perhaps 15 minute in your morning to upgrading your mind skill or thinking skill actually analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your short time to read it because all this time you only find reserve that need more time to be examine. Comparative Politics can be your answer given it can be read by you actually who have those short time problems.

Ernest Keeler:

As we know that book is vital thing to add our understanding for everything. By a publication we can know everything you want. A book is a set of written, printed, illustrated or perhaps blank sheet. Every year ended up being exactly added. This book Comparative Politics was filled about science. Spend your time to add your knowledge about your technology competence. Some people has different feel when they reading some sort of book. If you know how big benefit from a book, you can sense enjoy to read a reserve. In the modern era like at this point, many ways to get book which you wanted.

Sharon Lopez:

What is your hobby? Have you heard which question when you got pupils? We believe that that question was given by teacher to the students. Many kinds of hobby, Every individual has different hobby. And also you know that little person such as reading or as studying become their hobby. You should know that reading is very important as well as book as to be the point. Book is important thing to include you knowledge, except your current teacher or lecturer. You will find good news or update in relation to something by book. Many kinds of books that can you take to be your object. One of them is actually Comparative Politics.
