Love, Aubrey By Suzanne LaFleur

"I had everything I needed to run a household: a house, food, and a new family. From now on it would just be me and Sammy—the two of us, and no one else."

A tragic accident has turned eleven-year-old Aubrey's world upside down. Starting a new life all alone, Aubrey has everything she thinks she needs: SpaghettiOs and Sammy, her new pet fish. She cannot talk about what happened to her. Writing letters is the only thing that feels right to Aubrey, even if no one ever reads them.

With the aid of her loving grandmother and new friends, Aubrey learns that she is not alone, and gradually, she finds the words to express feelings that once seemed impossible to describe. The healing powers of friendship, love, and memory help Aubrey take her first steps toward the future.

Readers will care for Aubrey from page one and will watch her grow until the very end, when she has to make one of the biggest decisions of her life.

Love, Aubrey is devastating, brave, honest, funny, and hopeful, and it introduces a remarkable new writer, Suzanne LaFleur. No matter how old you are, this book is not to be missed.

From the Hardcover edition.

Editorial Review

From School Library Journal

Grade 4–6—How does a child recover from unspeakable loss? For Aubrey, 11, it takes time, love, stability, and the emotional release that comes from writing letters. After her father and younger sister die in a car accident, Aubrey's mother becomes psychologically unstable and abandons her. Uprooted from her home in Virginia, Aubrey goes to live with her grandmother in Vermont. Along with Gram's love, she finds solace in spending time with the family next door and acquires a best friend in the process. When her mother materializes and begins her emotional recovery, Aubrey must decide whether to return home or to remain with her grandmother. Throughout the grieving process, her emotions are palpable. LaFleur captures the way everyday occurrences can trigger a sudden flood of memories and overwhelming feelings of renewed loss. She details the physical responses of the human body to emotional trauma with an immediacy that puts readers inside Aubrey's pain and loss. The child's progress is reflected in her letters, which are at first directed to her sister's imaginary friend, then to her dead father and sister, and finally to the mother who hurt her so deeply. While the grandmother's patience and insight at times stretch credulity, for those who want or need to experience grief vicariously, this is an excellent choice.—*Faith Brautigam, Gail Borden Public Library, Elgin, IL* END
