Menander: Dyskolos, Samia and Other Plays (Classical Studies) By Menander, S. Ireland

These comedies by Menander reveal that the oft-employed theme of mistaken identity is as old as the Great Dionysia. Teachers and students will find that this edition remains loyal to the Greek originals without confining itself to the literalism that has made many previous translations unusable in the classroom and inaccessible to general readers. These translations promise to become the standard for decades to come, introducing readers to the timelessness of the human experience brilliantly depicted in classical Greek drama.

Editorial Review

Review

Praise for the series-- "Directness, vivid imagery, and rhetorical music prevail in different cadences."--"San Francisco Chronicle"

Praise for the series-- "Don't look for the wild and woolly--these were put together by wordsmiths. . . . But they are a far cry from some of the stodgier translations."--"Washington Post"

Praise for the series-- "A boon for classicists and general readers alike. For the reader who comes to tragedy for the first time, these translations are eminently 'accessible.' . . . For the classicist, these versions constitute an ambitious reinterpretation of traditional masterpieces."--"Boston Book Review"

Praise for the series-- "The 12-volume set will offer readers new verse translations of the complete surviving tragedies of Aeschylus, Sophocles, and Euripides, as well as the surviving comedies of Aristophanes and Menander. The complete line of Greek theater classics has not been offered to readers since 1938."--"Publishers Weekly"

Users Review

From reader reviews:

David Hogan:

Would you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Make an effort to pick one book that you find out the inside because don't judge book by its cover may doesn't work this is difficult job because you are scared that the inside maybe not since fantastic as in the outside look likes. Maybe you answer could be Menander: Dyskolos, Samia and Other Plays (Classical Studies) why because the excellent cover that make you consider in regards to the content will not disappoint an individual. The inside or content is actually fantastic as the outside or even cover. Your reading sixth sense will directly assist you to pick up this book.

Mark Dunn:

Many people spending their period by playing outside using friends, fun activity together with family or just watching TV the whole day. You can have new activity to pay your whole day by looking at a book. Ugh, do you consider reading a book can actually hard because you have to accept the book everywhere? It alright you can have the e-book, getting everywhere you want in your Smartphone. Like Menander: Dyskolos, Samia and Other Plays (Classical Studies) which is obtaining the e-book version.
