### **The Master's Plan, A Novel** By Stephany Tullis

SB is not your typical preacher's wife. She struts her stuff in five inch stilettos, tossing a honey blonde lion's mane Beyoncé would envy. Mt. Sinai Missionary Baptist Church members are less than enchanted with their Pastor's new wife, and his daughter blames him for marrying much too soon after her mother's sudden death. Weary of dodging her daughter-in-law's southern comfort punches, SB launches her master plan, a plan of life purpose where she depends on the Lord to order her steps and save her marriage. But her best-laid plans go awry when her husband suddenly goes missing, and a local politician devises a plan to suit them both – and get himself elected to the state legislature. Unusual and atypical relationships form between government and church officials. Old and new friends, past and present family, make *The Master's Plan* a 'must read' for everyone struggling to find purpose!
