### The Secrets of Peaches By Jodi Lynn Anderson

The delicious sequel to the *New York Times* bestseller *Peaches*

After a magical summer living on a peach orchard, Murphy, Leeda, and Birdie confront a series of breakups, makeups, and takeoffs. They may have to leave one another, along with the orchard that brought them together. But despite their heartbreak, this year's bittersweet endings could lead to the sweetest of new beginnings.

## Editorial Review

From School Library Journal

Grade 9 Up—In this sequel to *Peaches* (HarperCollins, 2005), Murphy, Birdie, and Leeda say good-bye to a summer on Birdie's family's peach orchard as the girls begin their senior year. Each teen faces a different set of growing pains. Birdie pines for her boyfriend, who's gone back to Mexico for school, and she worries that her family's housekeeper, who grew up in his town, will return home. Murphy, who dreams of moving to New York and has applied to NYU, is unable to tell her boyfriend that she loves him, although it's all he wants from her; what she wants is for him to agree to go to New York with her. Leeda's mother neglects her in favor of her sister; as their relationship grows more and more distant, the teen shuts out the rest of the world, including her friends. The novel is well paced and resolves the interwoven story lines tidily but authentically. This appealing book is as light as Cecily von Ziegesar's "Gossip Girl" series (Little, Brown), but without the glitz and snarky tone. Murphy and Birdie mature just enough to make the story optimistic but not fantastical, and Leeda's lack of growth makes her all the more believable. There are a few unclear references to the previous book, but in general the story stands on its own. A good choice for fans of Ann Brashares's "Sisterhood of the Traveling Pants" books (Delacorte) and similar series.—*Daisy Porter, San Jose Public Library, CA*
