Attempting to recover a relic stolen from her family years ago, gifted crystal worker Leona Hewitt secretly makes her way into Lord Delbridge’s private museum. But who she finds there is more entrancing than the crystal she seeks.

Thaddeus Ware is a mesmerist with powerful psychic energy—that doesn’t seem to be affecting the woman before him. Instead, Leona seems to exert a rather hypnotic power over the hypnotist himself. After she gives him the slip, absconding with the crystal they recovered, Thaddeus fears for her safety. For he is on assignment for the secretive Arcane Society and knows that the crystal holds the potential for great destruction. It is the key to Lord Delbridge’s membership in a shadowy group known as the Third Circle. The nobleman killed before to acquire the crystal, and Thaddeus has no doubt that he will kill again.

Editorial Review

From Publishers Weekly

In Quick's (Jayne Ann Krentz's pseudonym) mediocre latest installment to the Arcane Society series, Leona Hewitt, a crystal reader, and Thaddeus Ware, a hypnotist, meet trying to steal the same relic—the aurora stone—from a private collection, but a murdered prostitute and a trap protecting the stone initially complicate their success. Thaddeus, hired by the Arcane Society to claim the stone, allows the plot's loudly grinding gears to ally him with Leona. Both Leona and Thaddeus are sensible and pragmatic, qualities that make for efficient sleuths but passionless lovers, and Quick has to try unusually hard to make their romance believable. The story fares better when it focuses on the crystal and its connections to secret societies, to the Midnight Monster (a hackneyed serial killer) and to Leona's personal history. When the plot threads finally pull taut and the villains' motives and schemes are completely (if clumsily) exposed, Leona is endangered in a suspenseful climax. This is unlikely to garner Quick any new fans, or even delight her devotees, but it will tide them over until the next episode. (*Apr.*)

Leona Hewitt knew breaking into Lord Delbridges' estate to steal a valuable crystal would involve some danger; she just didn't expect to stumble across a woman's body while doing so. Fortunately, a mystery man with a hypnotic voice and mesmerizing powers is also in the gallery, and he helps Leona retrieve the crystal she seeks. Unfortunately, while they are stealing the crystal, the man is poisoned, and Leona realizes that she can't just leave him there to die. When Thaddeus Ware wakes up in a London inn the next day, he discovers that not only did his partner in crime use her crystal-working powers to save him but she has also disappeared with the rare crystal. Which gives Thaddeus no other option but to locate the lady before she gets herself killed. The latest in Quick's delightfully original, paranormal-spiced Arcane Society series is another dazzling combination of superbly realized characters, an intrigue-studded plot, and spellbindingly sexy romance. --John Charles
