## **Understanding Human Communication** By Ronald B. Adler, George Rodman

Now in its eighth edition, this classic text by Ronald B. Adler and George Rodman retains the enduring features that have made it the best-selling introductory human communication text on the market: an engaging and reader-friendly writing style; an inviting visual design with marginal quotations, cartoons, photographs, newspaper clippings, and supplemental readings on every page; up-to-date information on technology, gender, and cultural diversity; and everyday applications based on solid research and theory. Maintaining the quality of presentation and student-focused pedagogy that have characterized previous editions, this new edition features updated examples, coverage of current communication theory, entirely new student-oriented sample speeches with new commentaries, and a commitment to equipping students with effective communication skills that will matter and make a difference in their everyday lives.

### **NEW TO THE EIGHTH EDITION**

#### **Improved Design and Pedagogy**

- Each chapter now opens with a list of cognitive and behavioral objectives so that students know precisely what they need to learn.
- Activities are now integrated into the text--adjacent to the concepts they complement--allowing students to apply the material more easily to their lives.

#### **New Feature Film Profiles**

- Using a medium that students already know and love, *Understanding Human Communication, Eighth Edition*, integrates current movies into instruction to effectively teach concepts and principles. New films include:
  - *Cast Away*
  - *Shallow Hal*
  - *Pay It Forward*
  - *You've Got Mail*
  - *Clueless*
  - *At First Sight*
  - *Patch Adams*
  - *Dangerous Minds*
  - *Almost Famous*

#### **New Sidebar Topics**

- "Understanding Diversity" Sidebars show students how communication principles apply to people from different backgrounds. New topics include:
  - doing business across cultures
  - non-western views of modern medicine
  - deafness and identity
- "Understanding Communication Technology" Sidebars teach students how new technologies can expand and improve communication. New topics include:
  - identity management on the Internet
  - strategies for expressing emotions online
  - using the World Wide Web to deliver difficult messages
  - communicating in "virtual groups" on the web
  - software to improve group decision-making

### **New Material on Public Speaking**

The sample speeches in chapters 10, 11, 13, and 14 are completely new and accompanied by commentaries provided by the student speakers in addition to the authors' explanations.

- This edition places greater emphasis on student informative speaking and includes a sample student speech.
- This edition contains expanded guidelines for personalizing an informative speech.

### **Updated and Expanded Research and Examples**

Throughout the new edition, many topics have been added, expanded, or updated to reflect current information and contemporary theory. For example:

- Chapters 1-2
  - how communication shapes and manages identity
  - how narratives shape perceptions and frameworks for shared understanding
  - how some communication aims at coordination, but not necessarily understanding
- Chapter 3
  - similarities and differences between male and female communication styles
  - how children's names affect their identities
  - examples of contemporary slang and jargon
- Chapter 4
  - personal listening styles
  - the importance of listening in professional and personal life
  - how cultural differences shape listening
  - how communicators offer social support to others
- Chapters 5-6
  - deceptive communication
  - when and why people disclose personal information
- Chapters 10-14
  - new demographic analyses of today's audiences
  - the role of human communication in contemporary world events
  - the new student activism
- Media Appendix
  - Cumulative Effects Theory
  - how different theories lead to the observation of different effects

- how the media contributes to changes in language styles over time

### **Editorial Review**

#### **Review**

Understanding Human Communication provides students with the material they need to know to become competent communicators in the 21st century. Patricia Carr Connell, Gadsden State Community College, Alabama I have used this book for several semesters with great success. Students like it, I like it, and it provides the most basic communication concepts without oversimplifying or trivializing the material. B. Hannah Rockwell, Loyola University Chicago

#### **About the Author**

Ronald B. Adler, Professor of Communication, Santa Barbara City College. George Rodman, Professor of Television and Radio, CUNY, Brooklyn College.

### **Users Review**
