### Crazy On You (Lovett Texas Book 2) By Rachel Gibson

Return to Lovett, Texas, the setting of *Daisy's Back in Town*, in this smart and sexy new story from Rachel Gibson, the *New York Times* bestselling author of *Rescue Me* and the Seattle Chinooks books.

Lily Darlington's been called crazy in her day—and, yeah, driving her car into her ex-husband's living room probably wasn't the smartest move ever made—but the louse deserved it. Now Lily is happily single, and she's turned it all around. She knows she's a good mom, a homeowner, and a businesswoman, all wrapped up in one good-looking package.

A package that police officer Tucker Matthews is dying to unwrap. This ex-military man sure doesn't need another woman in his life. His last girlfriend left him with nothing but memories and a cat named Pinky! But living next door to Lily has been driving him nuts. He dreams about her long blonde hair and even longer legs. And maybe it's time to go a little crazy . . . and fall in love.

## **Editorial Review**

### About the Author

Rachel Gibson began her fiction career at age sixteen, when she ran her car into the side of a hill, retrieved the bumper, and drove to a parking lot, where she strategically scattered the car's broken glass all about. She told her parents she'd been the victim of a hit-and-run and they believed her. She's been making up stories ever since, although she gets paid better for them nowadays.

## **Users Review**

### **From reader reviews:**

#### **Earl Austin:**

Book is written, printed, or descriptive for everything. You can realize everything you want by a publication. Book has a different type. To be sure that book is important matter to bring us around the world. Alongside that you can your reading talent was fluently. A guide Crazy On You (Lovett Texas Book 2) will make you to be smarter.
