Cress By Marissa Meyer

The #1 *New York Times* Bestselling Series!

In this third book in Marissa Meyer's bestselling Lunar Chronicles series, Cinder and Captain Thorne are fugitives on the run, now with Scarlet and Wolf in tow. Together, they're plotting to overthrow Queen Levana and prevent her army from invading Earth.

Their best hope lies with Cress, a girl trapped on a satellite since childhood who's only ever had her netscreens as company. All that screen time has made Cress an excellent hacker. Unfortunately, she's being forced to work for Queen Levana, and she's just received orders to track down Cinder and her handsome accomplice.

When a daring rescue of Cress goes awry, the group is splintered. Cress finally has her freedom, but it comes at a higher price than she'd ever expected. Meanwhile, Queen Levana will let nothing prevent her marriage to Emperor Kai, especially the cyborg mechanic. Cress, Scarlet, and Cinder may not have signed up to save the world, but they may be the only hope the world has.

Editorial Review

From School Library Journal

Gr 8 Up—Cress is locked away in a floating satellite. She dreams of visiting Earth, the planet she has been forced to spy on, and meeting Carswell Thorne, the handsome ship captain who teamed up with Cinder in *Scarlet* (Feiwel & Friends, 2013). Her wish comes true after an attempted rescue from Cinder and her crew is intercepted, leaving Cress and Thorne stranded on Earth. At the same time, Scarlet is kidnapped, and Queen Levana, frustrated with Cinder's escape, begins to attack Earth. Cinder has her hands full with finding her missing comrades, dealing with an out-of-control Wolf, preventing Levana and Kai's marriage, and accepting her own royal heritage. At the end of the book, Cinder realizes that she can no longer hide from her destiny and begins preparations to head to Luna for a revolution. Cress fills in more historical details about Earth and Luna's relationship—most of which will be of no surprise to the reader—and Cinder's rebirth as a cyborg. Fans of *Scarlet* and *Wolf* may be disappointed that their relationship takes a backseat to the newly introduced pairing. As always, Meyer excels at interweaving new characters that extend beyond the archetypes of their fairy tale into the main story. Readers will eagerly await the final installment of this highly appealing and well-constructed series.—Marissa Lieberman, East Orange Public Library, NJ

From [Booklist](#)

As the *Lunar Chronicles* continue, we meet Cress, with Rapunzel-like hair, who is trapped in an orbiting satellite. For seven long years, she has provided intelligence and security for the Lunar Queen, Lavana. Her latest assignment is to search for Cinder, the escaped cyborg mechanic who crashed Emperor Kai's ball and won his heart in spite of his announced betrothal to Lavana. Emperor Kai hopes his ultimate sacrifice—the marriage—will ensure peace between Earth and Luna. In this third book in Meyer's fractured fairy tale series, Cinder, Scarlet, Wolf, and Cress team up to stop the emperor's wedding, preventing Lavana from becoming Earth's queen and thus destroying it. Once again, Meyer offers up a science fiction fantasy page-turner that salutes women's intelligence and empowerment, with a subtle warning of the perils of misusing that power. Old and new romances, unfinished story lines, and the prognostication of wartime horrors all pave the way for Meyer's much anticipated next installment, *Winter*, expected in 2015. **HIGH-DEMAND BACKSTORY:** The previous titles in the *Lunar Chronicles* series were both *New York Times* best-sellers; with a major marketing campaign pushing *Cress*, expect similar results here. Grades 7-10. --Frances Bradburn

Review

“As always, Meyer excels at interweaving new characters that extend beyond the archetypes of their fairy tale into the main story. Readers will eagerly await the final installment of this highly appealing and well-constructed series.” *School Library Journal*

“Meyer continues to show off her storytelling prowess, keeping readers engaged in a wide cast of characters while unfolding a layered plot that involves warring governments and a fast-spreading plague. The momentum Meyer built in the first two books continues to accelerate as the stakes grow higher for Cinder and her friends. The next installment cannot come fast enough.” *Publishers Weekly*, **STARRED REVIEW**

“Once again, Meyer offers up a science fiction fantasy page-turner that salutes women's intelligence and empowerment . . . Old and new romances, unfinished story lines, and the prognostication of wartime horrors all pave the way for Meyer's much anticipated next installment, *Winter*, expected in 2015.” *Booklist*

“This multilayered, action-packed page-turner is sure to please series fans.” *?The Horn Book*

Users Review

From reader reviews:

Edward Christensen:

As people who live in often the modest era should be revise about what going on or details even knowledge to make them keep up with the era that is certainly always change and move ahead. Some of you maybe will certainly update themselves by reading through books. It is a good choice for you but the problems coming to anyone is you don't know what one you should start with. This Cress is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

Jennifer Byler:

Reading a book can be one of a lot of pastime that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people like it. First reading a publication will give you a lot of new details. When you read a book you will get new information because book is one of several ways to share the information or their idea. Second, looking at a book will make a person more imaginative. When you studying a book especially tale fantasy book the author will bring you to definitely imagine the story how the character types do it anything. Third, you could share your knowledge to others. When you read this Cress, you are able to tells your family, friends and also soon about yours guide. Your knowledge can inspire average, make them reading a e-book.

Lori Roth:

This Cress is great publication for you because the content which can be full of information for you who also always deal with world and get to make decision every minute. That book reveal it information accurately using great plan word or we can point out no rambling sentences included. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but challenging core information with attractive delivering sentences. Having Cress in your hand like getting the world in your arm, information in it is not ridiculous one. We can say that no reserve that offer you world with ten or fifteen tiny right but this publication already do that. So , this can be good reading book. Hello Mr. and Mrs. hectic do you still doubt in which?

Mark Bock:

The book untitled Cress contain a lot of information on the idea. The writer explains her idea with easy method. The language is very clear and understandable all the people, so do not worry, you can easy to read the idea. The book was authored by famous author. The author provides you in the new period of literary works. It is possible to read this book because you can continue reading your smart phone, or gadget, so you can read the book within anywhere and anytime. In a situation you wish to purchase the e-book, you can wide open their official web-site as well as order it. Have a nice go through.
