I'm Doin' Me 2 (Urban Renaissance) By Anna Black

Tiffany and Kory are settling into their happily-ever-after and enjoying matrimonial bliss, but they are missing the one thing that would make their family complete—a baby. After several months of trying to conceive, with no success, Tiffany shifts her focus on her career and her new role as CEO at TiMax. Eager and ready to move up the corporate ladder, Tiffany convinces her best friend, Rose, to move to L.A., offering her a new start. It's something Rose simply can't refuse, an opportunity not only for success, but also for love.

With a great family, friends, and career, Tiffany's world is in perfect peace, until she runs into Tracy Sims. Beaten out of her position at KCLN for just showing up late, Tracy has vowed she'll get back at Tiffany one way or another. Hell-bent on payback, scheming becomes Tracy's middle name as she does everything within her power to destroy Tiffany. Not even the threat of being blacklisted detours her plans.

Meanwhile, Tressa is determined to win back the heart of the one man she lost. Just when she thinks she's left her past addictions and L.A. queen lifestyle behind, her past returns with a vengeance!

Will Tracy finally get her revenge on Tiffany and make her pay for all of the misfortune she's suffered, or will things blow up in her face? Will losing her father's love again be at stake for Tressa, or will she finally live up to the promises she made to him?

Some demons are hard to defeat, and they don't die easily. It's a lesson Tressa and Tracy will soon learn, and they just might pay the ultimate price for it.
