**International Handbook on Informal Governance** By Thomas Christiansen, Christine Neuhold

Acknowledging that governance relies not only on formal rules and institutions but to a significant degree also on informal practices and arrangements, this unique *Handbook* examines and analyzes a wide variety of theoretical, conceptual and normative perspectives on informal governance.

The insights arising from this focus on informal governance are discussed from various disciplinary perspectives, within different policy domains, and in a number of regional and global contexts. This *Handbook* is an important contribution that will put informal governance firmly on the map of academic scholarship with its review of the range of the different uses and effects of informal arrangements across the globe.

Bringing together multidisciplinary contributions on informal governance arrangements, this *Handbook* will appeal to postgraduate students in political science and scholars within the field of political science and global governance.

### **Editorial Review**

#### Review

This volume provides a welcome overview of the diverse ways in which informal practices and norms shape policy in national states, the European Union, and international relations. The wide range of cases that feature in the volume point to the normative and substantive importance of informality. This volume is a valuable contribution to a fascinating and under-researched topic. --Gary Marks, UNC-Chapel Hill and VU Amsterdam, The Netherlands

#### About the Author

Edited by **Thomas Christiansen**, Jean Monnet Professor of European Institutional Politics, Department of Political Science, Maastricht University, The Netherlands and **Christine Neuhold**, Associate Professor of European Governance, Department of Political Science, Maastricht University, The Netherlands

### **Users Review**

#### **From reader reviews:**

##### **Ernest Villa:**

Book is actually written, printed, or illustrated for everything. You can understand everything you want by a reserve. Book has a different type. We all know that that book is important matter to bring us around the world. Alongside that you can your reading expertise was fluently. A book International Handbook on Informal Governance will make you to always be smarter. You can feel far more confidence if you can know about almost everything. But some of you think in which open or reading some sort of book make you bored. It is far from make you fun. Why they are often thought like that? Have you in search of best book or suitable book with you?

##### **Shirley Dildy:**

Nowadays reading books become more and more than want or need but also turn into a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book which improve your knowledge and information. The info you get based on what kind of guide you read, if you want get more knowledge just go with knowledge books but if you want sense happy read one along with theme for entertaining like comic or novel. The International Handbook on Informal Governance is kind of reserve which is giving the reader unstable experience.

##### **Antonio Fells:**
