NKJV The Maxwell Leadership Bible: Lessons in Leadership from the Word of God From Thomas Nelson

The people, events, and teachings of the Bible are a treasury of wisdom and guidance for anyone who has been called to be a leader, to develop leaders, or to work with leaders-in church, business, commerce, or anyplace else. *The Maxwell Leadership Bible* shows us what God's Word has to say to people of all kinds about leaders and leadership. It's a Bible resource that explains book by book what a godly leader is, what leadership means, what empowering others is about, and how God is glorified when we're all involved in His leadership plan for us.

Articles about the 21 Laws of Leadership in Scripture show us how these Laws are seen in the lives of Bible people. There are also articles about how the 21 Qualities of a Leader are shown in Scripture-in the cases of both those who got it right and those who got it wrong-and how people learned from their failures and became better leaders through God's redemptive process of education by experience.

Executive Editor John C. Maxwell has assembled biblical teaching to equip and encourage leaders and those who serve with them, to meet 21st-century challenges by using the time-tested and irrefutable principles of leadership that God has shown us in the Bible.
