Editorial Review

Review

"Peet introduces a hilarious array of characters reminiscent of those who inhabit Dr. Seuss's books."
Booklist, ALA

About the Author

Bill Peet was the author of 34 books published by Houghton Mifflin. One of these, *BILL PEET: AN AUTOBIOGRAPHY*, was named a 1989 Caldecott Honor Book. All of Bill Peet's books published by Houghton Mifflin Company, including his first book for children published in 1959, *HUBERT'S HAIR-RAISING ADVENTURE*, remain actively in print today.

In both his career as an author and illustrator of children's books and in his work as sketch artist and continuity illustrator at Walt Disney, Bill Peet created a menagerie of memorable characters. As he himself noted, "I write about animals because I love to draw them. Most of my animal characters have human personalities, and some are much like the people I know."

At Walt Disney, where Bill Peet worked for 27 years, he was a key participant in the production of classic films such as *Fantasia*, *Sleeping Beauty*, *Alice in Wonderland*, *Peter Pan*, and *101 Dalmatians* for which he was not only an artist, but the screenwriter as well.

Bill Peet's signature style enabled him to create fast-paced stories of fantastical adventure delivered with warmth and laugh-out-loud hilarity. His unflinching humor did not, however, prevent him from addressing such poignant issues as kindness toward others and respect for the environment. Through the exploits of his characters, Peet offered his audience a chance to see themselves and their world through new eyes.

"At some point," Bill Peet once said, "it occurred to me that drawing was something I couldn't possibly give up, and somehow it must be turned into a profession." He went on to not only fulfill his dream but to introduce generations of young readers to his delightful vision of humor, friendship and compassion.

Users Review

From reader reviews:

Adrian Rogers:

As people who live in often the modest era should be revise about what going on or details even knowledge to make all of them keep up with the era which is always change and advance. Some of you maybe may update themselves by reading books. It is a good choice for yourself but the problems coming to you is you don't know which you should start with. This *No Such Things* is our recommendation to help you keep up with the world. Why, because this book serves what you want and wish in this era.

Irene Allen:

Information is provisions for anyone to get better life, information these days can get by anyone with everywhere. The information can be a understanding or any news even a problem. What people must be consider if those information which is in the former life are challenging to be find than now is taking seriously which one would work to believe or which one the particular resource are convinced. If you get the unstable resource then you buy it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take No Such Things as the daily resource information.

Clarence Frey:

Why? Because this No Such Things is an unordinary book that the inside of the book waiting for you to snap it but latter it will distress you with the secret the idea inside. Reading this book close to it was fantastic author who else write the book in such wonderful way makes the content on the inside easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this anymore or you going to regret it. This unique book will give you a lot of gains than the other book have such as help improving your skill and your critical thinking means. So , still want to hesitate having that book? If I were being you I will go to the publication store hurriedly.

Samantha Smith:

In this era which is the greater particular person or who has ability to do something more are more treasured than other. Do you want to become one of it? It is just simple method to have that. What you need to do is just spending your time almost no but quite enough to have a look at some books. One of several books in the top listing in your reading list is actually No Such Things. This book that is certainly qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking upward and review this publication you can get many advantages.
