Super Panalo Sounds! By Lourde De Veyra

SUPER PANALO SOUNDS! is the first novel by award-winning writer Lourde de Veyra, who is also the main man for the rock band Radioactive Sago Project. This book takes us on the rough-and-tumble journey of the greatest band you never heard, a story of drugs, rock and roll, and the depths of the human soul. We witness both the exhilaration and the ravages wrought by the rock scene. Tracing Pinoy rock history while creating its own alternative mythos, where rock gods walk on water, bands record mythical albums and then vanish from the scene, and kids from Projects 2-3 can change the world with music, SUPER PANALO SOUNDS! is a mind-opening, mind-altering cautionary tale of how high and how low you can go when you're rocking and rolling.

Editorial Review

Users Review

From reader reviews:

Madeline Wayt:

Do you have favorite book? Should you have, what is your favorite's book? Reserve is very important thing for us to learn everything in the world. Each publication has different aim or maybe goal; it means that reserve has different type. Some people experience enjoy to spend their the perfect time to read a book. These are reading whatever they take because their hobby is actually reading a book. How about the person who don't like reading a book? Sometime, man feel need book when they found difficult problem or perhaps exercise. Well, probably you will require this Super Panalo Sounds!.

Rita Heil:

The knowledge that you get from Super Panalo Sounds! may be the more deep you looking the information that hide inside the words the more you get thinking about reading it. It does not mean that this book is hard to understand but Super Panalo Sounds! giving you excitement feeling of reading. The article author conveys their point in specific way that can be understood through anyone who read the idea because the author of this e-book is well-known enough. This specific book also makes your own vocabulary increase well. Therefore it is easy to understand then can go along, both in printed or e-book style are available. We recommend you for having this specific Super Panalo Sounds! instantly.

Timothy Brown:

Playing with family inside a park, coming to see the water world or hanging out with good friends is thing that usually you could have done when you have spare time, in that case why you don't try issue that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Super Panalo Sounds!, you may enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh can happen its mind hangout fellas. What? Still don't obtain it, oh come on its called reading friends.

John McKeever:

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's

country. Therefore this Super Panalo Sounds! can make you experience more interested to read.
