### Editorial Review

#### Review

"This book is wonderful. Take Me to Truth manages to be A Course in Miracles book in content, without being primarily a Course book in form, and that's high praise indeed! The authors have a wonderful ability to express profound Spiritual teachings providing a simple guide to undoing the only block to consistent happiness, peace and love that exists, the ego. They describe the challenge we all face; the uninvestigated 'me' is the ego, the one that's plagued by intermittent fears, relationship break-ups, financial difficulties and ill-health. It's a false-self, and one whose life mantra is seek and do not find. Practical self-discovery tools such as the Guilt Meter and the PIQ formula help to clearly identify the ego's thought system and provide a hands-on means to implement the undoing process on a day-to-day basis. In conclusion, this is a truly inspired work, and an inspiring read." -- *Rogier F. van Vlissingen, author of 'Closing the Circle', O-Books, July 2007.*
