Travels with My Donkey: One Man and His Ass on a Pilgrimage to Santiago By Tim Moore

Having no knowledge of Spanish and even less about the care and feeding of donkeys, Tim Moore, Britain's indefatigable traveling Everyman, sets out on a pilgrimage to the cathedral at Santiago de Compostela with a donkey named Shinto as his companion. Armed only with a twelfth-century handbook to the route and expert advice on donkey management from Robert Louis Stevenson, Moore and his four-legged companion travel the ancient five-hundred-mile route from St. Jean Pied-de-Port, on the French side of the Pyrenees, to the cathedral at Santiago de Compostela which houses the remains of Spain's patron saint, St. James.

Over sun-scorched highways, precipitous bridges, dirt paths shaded by leafy trees, and vineyards occasionally lashed by downpours, Moore and Shinto pass through some of northern Spain's oldest towns and cities in colorful company. Clearly more interested in Shinto than in Moore, their fellow walkers are an assortment of devout Christian pilgrims, New Age--spirituality seekers aspiring to be the next Shirley Maclaine, Baby Boomers contemplating middle age, and John Q Public just out for a cheap, boozy sun-drenched outdoor holiday.

As Moore pushes, pulls, wheedles, cajoles, and threatens Shinto across Spain, the duo overnights in the bedrooms, dormitories, and---for Shinto---grassy fields of northern Spain. Shinto, a donkey with a finely honed talent for relieving himself at the most inopportune moments, has better luck in the search for his next meal than Moore does in finding his inner pilgrim. Undaunted, however, Man and Beast finally arrive at the cathedral and a successful end to their journey. For readers who delighted in his earlier books, *Travels With my Donkey* is the next hilarious chapter in the travels of Tim Moore, a book that keeps the bones of St. James rattling to this day.

Editorial Review

From Publishers Weekly

A man, a donkey, and a very long walk: Moore's latest European adventure (after *French Revolutions* and others) finds him embarking on an ages-old physical and spiritual pilgrimage across Spain to the famed cathedral of Santiago de Compostela. Moore entertains with his snappy one-liners and skewed views of the locals, his fellow pilgrims and his own reasons for undertaking the *camino*. Against advice to the contrary, he pursues his search for a donkey to accompany him, which "upgraded his *camino* from big walk to revelatory voyage of self-examination." Moore shines in detailing "Tim and Shinto's Excellent Adventure": during the day, he accumulates "clicks" (kilometers) and cajoles Shinto across bridges, grates and roads; afternoons and evenings are spent searching for donkey-friendly lodgings (and encountering a share of slammed doors). Fellow pilgrims (the "Baroness von Munchausen"; "New Mexico Joe") get full portraits between details of communal living and eating, and the sordid intimacies of the shared bathroom. His sections on the pilgrimage's history and the towns he passes, however, are dry in comparison to his anecdotal asides and may only appeal to history buffs or those who've traveled this route themselves. While Moore may not have found his "inner Tim," he does take readers on an entertaining, unusual adventure. Copyright © Reed Business Information, a division of Reed Elsevier Inc. Review

"Bill Bryson's *A Walk in the Woods*, this feels like the natural sequel---a well-told comic misadventure with a history lesson woven in for good measure. This is about the most entertaining travel writing you're going to pick up this year. A rollicking ride through the Spanish countryside with quirky observations, more interesting company than Chaucer seemed to find, and an ass named Shinto who now has enough comic material to jump on the lecture circuit. Arriving in Santiago with Moore was even more enjoyable than the journey I made along the Camino myself. All the fun, none of the blisters." ?*Doug Lansky, author of Last Trout in Venice and First Time Around the World*
