## **Editorial Review**

From the Publisher

IMPORTANT NOTE! Many sellers on Amazon (and even in bookstores) are confusing a cheaper version of the Book of Mormon replica with ours. The one published by Herald House (of Independence, Missouri) sells for \$23.95 and has a hardback cover made with paper exterior, which some people think is leather (because of the color). However, our version, at only \$11 more, is the **ONLY VERSION THAT IS BOUND WITH REAL LEATHER**. 3 reasons why our version is more like the original: 1) The **LEATHER COVER**, as stated. 2) The **THICK COVER**, which only ours has, and 3) The **"EUROPEAN JOINT,"** which allows the cover to lay flat all the way to the spine and is much costlier to produce. (The other version, with its "modern joint," has a large, deep groove which you can readily see along the left side.) To further help set ours apart, ours is the only version with a promotional **"DUST JACKET,"** which clearly states on the front that it is "Leather Bound," and which has a bright **RED SEAL**.

## **Users Review**

**From reader reviews:**

**Jean Young:**

In this 21st hundred years, people become competitive in every single way. By being competitive currently, people have do something to make all of them survives, being in the middle of the actual crowded place and notice simply by surrounding. One thing that occasionally many people have underestimated it for a while is reading. Yep, by reading a reserve your ability to survive improve then having chance to stand than other is high. In your case who want to start reading a book, we give you this particular 1830 Book of Mormon book as nice and daily reading e-book. Why, because this book is greater than just a book.

**Joyce Loza:**
