EU Ordre Public (European Monographs) By Tim Corthaut

In a cogent, detailed analysis, the author "reconstructs" the legal order of the European Union in a way that best gives meaning to the Treaties, the case law of the Court of Justice, and the various underlying principles of integration that have emerged over the decades. He focuses on instances, or touchstones, in relation to which EU law seems to be building and integrating an ordre public. Among these are the following:

- international trade law and arbitration;
- public international law;
- the ECHR and EctHR;
- public policy exceptions to the four freedoms;
- European citizenship;
- competition law;
- national and EU procedural law; and
- protection of social and labour standards.

In-depth inquiry into questions which seem subject to very specific limitations--such as when national or EU courts are under an obligation to raise issues of EU law of their own motion, or norms from which private parties may not deviate--captures the breadth of the EU ordre public, greatly clarifying the concept and the variety of ways it operates. Seeking to reconcile numerous strands and processes of EU law in a principled manner, the book reveals a significant potential for a deeper constitutional framework defining the EU ordre public and putting it into operation as a tool to help ensure unity in diversity. It will be welcomed and read closely by jurists, policymakers, and interested academics in Europe and wherever the matter of European integration is studied.

Editorial Review

Users Review

From reader reviews:

Gayle Collins:

As people who live in the particular modest era should be update about what going on or information even knowledge to make these keep up with the era that is always change and move ahead. Some of you maybe will certainly update themselves by studying books. It is a good choice in your case but the problems coming to you is you don't know which one you should start with. This EU Ordre Public (European Monographs) is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

John Sanchez:

Information is provisions for individuals to get better life, information presently can get by anyone from everywhere. The information can be a information or any news even a problem. What people must be consider whenever those information which is in the former life are challenging to be find than now is taking seriously which one would work to believe or which one the actual resource are convinced. If you receive the unstable resource then you have it as your main information you will see huge disadvantage for you. All of those possibilities will not happen inside you if you take EU Ordre Public (European Monographs) as your daily resource information.

Mary Fox:

Spent a free a chance to be fun activity to accomplish! A lot of people spent their leisure time with their family, or their very own friends. Usually they performing activity like watching television, gonna beach, or picnic inside the park. They actually doing same task every week. Do you feel it? Do you want to something different to fill your own free time/ holiday? Can be reading a book is usually option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to try look for book, may be the guide untitled EU Ordre Public (European Monographs) can be good book to read. May be it could be best activity to you.

Dina Hirsch:

Your reading 6th sense will not betray you actually, why because this EU Ordre Public (European Monographs) book written by well-known writer whose to say well how to make book that may be understand by anyone who read the book. Written in good manner for you, dripping every ideas and producing skill only for eliminate your own personal hunger then you still skepticism EU Ordre Public (European Monographs) as good book not only by the cover but also with the content. This is one

publication that can break don't determine book by its deal with, so do you still needing one more sixth sense to pick that!? Oh come on your studying sixth sense already told you so why you have to listening to a different sixth sense.
