Hot Head By Damon Suede

Where there's smoke, there's fire... Since 9/11, Brooklyn firefighter Griff Muir has wrestled with impossible feelings for his best friend and partner at Ladder 181, Dante Anastagio. Unfortunately, Dante is strictly a ladies' man, and the FDNY isn't exactly gay-friendly. For ten years, Griff has hidden his heart in a half-life of public heroics and private anguish. Griff's caution and Dante's cockiness make them an unbeatable team. To protect his buddy, there's nothing Griff wouldn't do... until a nearly bankrupt Dante proposes the worst possible solution: HotHead.com, a gay porn website where uniformed hunks get down and dirty. And Dante wants them to appear there-together. Griff may have to guard his heart and live out his darkest fantasies on camera. Can he rescue the man he loves without wrecking their careers, their families, or their friendship?

Editorial Review

Review

"5+ stars... Desert Island Keeper...Hot Head is a book you will want to savour...a plot that grips you and makes your stomach ache... an unforgettable story... gritty... raw... delicious... I felt as if I was living this story rather than reading it. Highly recommended." (*Reviews at Jessewave*)

"Up front, this is one of the best M/M romances I have read lately... It had that level of romanticism that makes your heart ache good... I strongly recommend this novel to all romance lovers, I'm sure you will love it as much as I did." (*Elisa's Reviews and Ramblings*)

"Hot Head is not your run-of-the-mill gay romance...the hottest homoerotic sex scenes I've read, and yet...the story is about none of that and so much more than that...This book completely fulfilled all of my requirements for a 5-star romance read... If you are ready to be scorched, read it!" (Viv Santos at *Queer'd Magazine*)

"Awarded the Golden Nib: for books that knock our socks off!

Magical and beautiful even when it gets down and dirty and completely gutter-talk raunchy. A raw, emotional, very hot, worth-every-penny read. I've re-read it three times now, and it should get old, but it hasn't. That's Golden Nib worthy!" (*Miss Love Loves Books*)

Named as one of the "Top 100 Romance Novels of All Time" by Goodreads in 2014

Users Review

From reader reviews:

Eugene Glover:

Book is actually written, printed, or created for everything. You can know everything you want by a reserve. Book has a different type. As it is known to us that book is important issue to bring us around the world. Alongside that you can your reading expertise was fluently. A reserve Hot Head will make you to end up being smarter. You can feel a lot more confidence if you can know about every thing. But some of you think that will open or reading a new book make you bored. It's not make you fun. Why they might be thought like that? Have you in search of best book or appropriate book with you?

Francis Dawson:

Do you one of people who can't read pleasurable if the sentence chained within the straightway, hold on guys that aren't like that. This Hot Head book is readable by simply you who hate the perfect word style. You will find the data here are arrange for enjoyable reading through experience without leaving perhaps decrease the knowledge that want to deliver to you. The writer of Hot Head content conveys the thought easily to understand by many individuals. The printed and e-book are not different in the content material but it just different by means of it. So , do you even now thinking Hot Head is not loveable to be your top collection reading book?

Leslie James:

The feeling that you get from Hot Head is the more deep you excavating the information that hide in the words the more you get interested in reading it. It doesn't mean that this book is hard to be aware of but Hot Head giving you joy feeling of reading. The writer conveys their point in particular way that can be understood simply by anyone who read this because the author of this e-book is well-known enough. This particular book also makes your own personal vocabulary increase well. That makes it easy to understand then can go along with you, both in printed or e-book style are available. We highly recommend you for having this specific Hot Head instantly.

Floyd Brown:

Many people spending their period by playing outside with friends, fun activity with family or just watching TV all day every day. You can have new activity to spend your whole day by reading through a book. Ugh, do you think reading a book will surely hard because you have to use the book everywhere? It ok you can have the e-book, having everywhere you want in your Mobile phone. Like Hot Head which is finding the e-book version. So , try out this book? Let's observe.
