Not for Sale: Feminists Resisting Prostitution and Pornography From Spinifex Press

Including the latest research on prostitution and pornography, this essay anthology shows how the sex industries harm those within them while undermining the possibilities for gender justice, human equality, and stable sexual relationships. From sex industries survivors to social activists and theorists such as Taylor Lee, Adriene Sere, and Kristen Anderberg, this volume assesses from a feminist perspective the racism, poverty, militarism, and corporate capitalism of selling sex through strip clubs, brothels, mail-order brides, and child pornography.
