**Play It Away: A Workaholic's Cure for Anxiety** By Charlie Hoehn

### ACTUAL READER FEEDBACK

“This book saved my life. Every tip is natural, just the way I want to treat my anxiety.”

“*Play It Away* really hits on what ‘living in the moment’ is all about. Reading this book has been one of the most valuable investments I’ve made, both professionally and personally.”

“I work in the mental health field, so I have read my weight in self-help books. I would highly recommend this to anyone wrestling with anxiety. Or really, just anyone.”

“When reading *Play It Away*, I felt as though I was talking with a friend over a beer, rather than reading a book pointing out what I was doing wrong. Charlie relates to the reader in an extraordinary way and offers tangible advice that doesn't seem out of reach. This is certainly a different kind of self-help book that I will keep on my bookshelf for years to come.”

“Living on the road for the better part of 7 years representing and speaking for Tony Robbins landed me in the hospital: adrenals burnt out, depressed, poor digestion, and miserable. It was pretty hard to be a ‘motivational speaker’ when I was actually dying on the inside. Charlie's book serves as a great reminder to enjoy life more, and also provides the necessary “how to” information and practical advice to enjoy life and be more productive. Highly recommend this book to anyone who is busy and wants to enjoy their life more.”

“It might be because I see so much of myself in the author's story, but this book has already changed my life. It reminded me of all of the things that I used to fill my free time with that I completely abandoned, and it gave me concrete, actionable ways to re-integrate them into my life. I've already recommended this book to over a dozen good friends. It's a very solid read.”

“I've been feeling 98% back to my former self 98% of the time. Sometimes I have a hard time believing the five months that I was crippled with anxiety even happened. My confidence is back and I'm having fun again.”

“After reading your book, everything clicked for me. There are so many parts in it that I can relate to; the anxious feeling from coffee, lack of sleep, too much time spent on my laptop/iPhone, and so many other things. I can’t explain how nice it was to know that someone finally understood AND has solutions to change those feelings. The answers I’ve been searching for and asking doctors about for almost the last 3 years, you were able to summarize in one book.”

“*Play It Away* is a gift. It’s totally changed how I think about my interactions with friends, women, and people I meet for the first time. I’m more open, playful, and happier overall since reading (and applying) this book.”

“This book provides simple but profound advice on how to gift yourself with a stress-free, happier existence.”

“What a truly inspiring and incredible read for anyone struggling with anxiety or depression. The author's style is so full of energy and bubbly, it made me want to go out and take my own adventure.”

"Here's the cure to your stress!"

—Tony Robbins, #1 Bestselling Author of *Personal Power*, 40 million copies sold

“For all Type-A driven readers — especially those who struggle with the shut-off switch — this one is for you.”

—Tim Ferriss, #1 New York Times Bestselling Author of *The 4-Hour Workweek* and *The 4-Hour Body*

“Charlie's transformation through the rediscovery of his own innate play nature stands as an example available to all of us. Access your own unique play capacities and infuse them into your life! It works!”

—Stuart Brown, M.D., Bestselling Author of *Play*

Charlie Hoehn is the author of *Play It Away* (#1 Stress Management) and *Recession Proof Graduate*. He is also the founder of The Recess Project ([therecessproject.com](http://therecessproject.com)).

Charlie's article about the power of play is the #1 worldwide result on Google for the search "cure anxiety" (above Oprah.com), and has been read by over one million people. His work has been featured on NPR's TED Radio Hour, Fast Company, Harvard Business Review, Forbes, Globe and Mail, Mating Grounds, and many others. He lives in Austin, where he hosts weekly recess at Zilker park and performs improv at the Hideout Theatre. Blog: [charliehoehn.com](http://charliehoehn.com)

### Users Review

#### From reader reviews:

##### June Edwards:

What do you in relation to book? It is not important along with you? Or just adding material if you want something to explain what you problem? How about your spare time? Or are you busy person? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everybody has many questions above. The doctor has to answer that question due to the fact just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need this particular Play It Away: A Workaholic's Cure for Anxiety to read.

##### Peter Hudson:

Information is provisions for folks to get better life, information these days can get by anyone at everywhere. The information can be a understanding or any news even restricted. What people must be consider when those information which is in the former life are challenging to be find than now is taking seriously which one is suitable to believe or which one typically the resource are convinced. If you receive the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen in you if you take Play It Away: A Workaholic's Cure for Anxiety as the daily resource information.

##### Allen Reilley:

A lot of people always spent their very own free time to vacation or maybe go to the outside with them loved ones or their friend. Are you aware? Many a lot of people spent they free time just watching TV, as well as playing video games all day long. If you wish to try to find a new activity honestly, that is look different you can read some sort of book. It is really fun for you. If you enjoy the book that you just read you can spent the entire day to reading a guide. The book Play It Away: A Workaholic's Cure for Anxiety it doesn't matter what good to read. There are a lot of people that recommended this book. We were holding enjoying reading

this book. When you did not have enough space to bring this book you can buy typically the e-book. You can more easily to read this book out of your smart phone. The price is not too expensive but this book has high quality.

**James Mace:**

Reading a guide make you to get more knowledge from that. You can take knowledge and information from your book. Book is created or printed or highlighted from each source that will filled update of news. With this modern era like now, many ways to get information are available for an individual. From media social similar to newspaper, magazines, science publication, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Are you ready to spend your spare time to spread out your book? Or just searching for the Play It Away: A Workaholic's Cure for Anxiety when you essential it?
