The Rock Says... By The Rock, Joe Layden

The Rock says. . . "Know your damn role--and shut your mouth!" But that simple catch-phrase, embraced by the millions ñand the millions--of The Rock's fans, can't begin to capture the spirit and larger-than-life personality of the most electrifying man in sports-entertainment."

In this action-packed, revealing and outrageously funny memoir, World Wrestling Federation Superstar The Rock recounts his life in and out of the ring with unapologetic honesty and inimitable style. From his boyhood days traveling around the world with his father (professional wrestler Rocky Johnson) to his years as a football player at the University of Miami to his meteoric rise through the ranks of the Federation, *The Rock Says. . .* chronicles in vivid detail the life story of one of sports-entertainment's most innovative and best-loved personalities.

The Rock recalls his injury-plagued career at Miami and a subsequent foray to the Great White North, where he discovered that in Canada being a professional football player is not exactly a glamorous life. After a few months of sleeping on putrid, stained mattresses that he dug out of the garbage and subsisting on nothing but plain spaghetti, "D.J." ditched his cleats forever and set his sights on the path of his father and grandfather--wrestling.

Performing first in the minors as plain old Dwayne Johnson, then as "Flex Kavana" and later as "Rocky Maivia," he quickly became one of the World Wrestling Federation's hopefuls. But no matter how he tried to get over with the fans, the stadiums greeted him with chants of "Rocky sucks! Rocky sucks!" He then adopted the brash persona of The Rock--a snorting, spitting, snotting, swearing son-of-a-bitch with the soul of a smart-ass comic and the body of an Adonis--and he found his true calling as the "People's Champion."

The Rock will take fans on a guided tour of big-time professional wrestling, a highly competitive business in which a handful of gifted and lucky performers dominate, and all others dream of a moment in the spotlight. He provides a breathtaking, minute-by-minute account of *Wrestle Mania*, the Super Bowl of pro wrestling, including an intimate backstage look at rehearsals with his opponent, Stone Cold Steve Austin. And he discusses in heartfelt detail the loss of his friend and co-worker, Owen Hart.

Filled with genuinely touching stories of love and strife, hilarious anecdotes, inside accounts of an industry whose machinations have long been shrouded in secrecy and dozens of previously unpublished photographs from The Rock's personal collection, *The Rock Says*. . . is--as The Rock himself might put it--"the coolest thing since the other side of the pillow if you smell what The Rock is cookin'."

Editorial Review

Amazon.com Review

Hot on the bleeding heels of Mankind's *Have a Nice Day!* comes another memoir by a bad-guy character World Wrestling Federation fans love to hate, edited by the same prose coach, the clever Jeremie Ruby-Strauss (and coauthored by Joe Layden). Dwayne Johnson, a.k.a. the Rock--who calls himself "the People's Champion," affects an arched eyebrow to convey entertaining menace, and coins catch phrases like a standup comic--gives you plenty of colorful, jumbled action photos and the growling accounts of staged mayhem that made Mankind's book a bestseller. But his story is more interesting than that of Mankind, his occasional ring rival. The noisy action chapters alternate with passages of more reflective conventional autobiography: the Rock is a third-generation pro wrestler, and his book amounts to a history of the sport. His grandpa, High Chief Peter Maivia, was a Samoan important enough to be buried in Diamond Head's crater, and his dad, Rocky Johnson, was George Foreman's sparring partner and the first African American World Wrestling Federation Intercontinental champ. The Rock is candid about the battles his family faced outside the ring: the marriage-testing road lifestyle, his dad's most important win (over the bottle), and the author's own dangerous temper. There's something touching about the Rock's unpromising debut in his uncle Tonga's old trunks, in his reverence for his elders--and something scary about his reaction when he thinks people lack such respect.

What, you say? You'd rather hear about the Rock's "schmozz" (free-for-all) with Mankind, or Faarooq and the interracial Nation of Domination, or that Budweiser-popping piece of trailer trash Stone Cold Steve Austin, or the Undertaker, whose skin is "the color of bad meat"? You want to hear how he started out sleeping on a pungent mattress retrieved from a garbage dump and wound up wearing Versace shirts and chatting up Gennifer Flowers on TV at WrestleMania XIV? You crave the secrets of the Frankenstein, the Gorilla Position, Jake the Snake, and Mankind's Mandible Claw (a dirty sock he shoves down opponents' throats)? That's all here, too. Just hop in the ring--the Rock will show you around. --*Tim Appelo*

Review

"The Rock tells his story with humor, honesty, and not a little trash talk." -- --*Chicago Tribune*

About the Author

In addition to his home in Miami, where he lives with his wife, Dany, The Rock has a permanent suite at Smack Down Hotel, on the corner of Know Your Role Boulevard and Jabroni Drive. He is the youngest champion in World Wrestling Federation history.

Joe Layden is a freelance magazine writer and the author of several books, including *All The Rage*, with Charles Haley. He lives in upstate New York, not far from the Professional Wrestling Hall of Fame.

Users Review

From reader reviews:

Danny Whittemore:

The book *The Rock Says...* gives you the sense of being enjoy for your spare time. You should use to make your capable more increase.
