Victory at Yorktown: A Novel (George Washington Series) By Newt Gingrich, William R. Forstchen

***New York Times* bestselling authors Newt Gingrich and William R. Forstchen present the triumphant conclusion to their George Washington series—a novel of leadership, brotherhood, loyalty, and the victory of the American cause.**

It is 1781, and Washington and his army have spent three years in a bitter stalemate, engaging in near constant skirmishing against the British. The enemy position in New York is far too strong, and all approaches covered by the Royal Navy. At last two crucial reports reach Washington. The first is that the French have briefly committed a fleet to the American coast to engage the British. The second is that British General Cornwallis, driven to distraction by the protracted warfare in the Carolinas, has decided to withdraw into Yorktown to establish a new base.

Washington decides to embark on one of the most audacious moves in American military history. He will take nearly his entire army out of New Jersey and New York, and force march it more than three hundred miles in complete secrecy. He must pray that the French navy is successful in blockading Chesapeake Bay, so that he can fall upon Cornwallis, lay siege to him, and capture his entire force. It is a campaign laden with "Ifs" but the stalemate must be broken, otherwise the American spirit, after six long years of war, will crumble.

Sergeant Peter Wellsley is tasked with "paving the way" for the rapid movement of the army, and above all else neutralizing any loyalists who might slip off to provide warning. The entire operation is predicated on complete, total surprise, a near-impossible task for an army moving through areas that harbor strong loyalists. On the other side, Allen Van Dorn, still mourning the loss of his friend Major Andre, receives bits and pieces of reports from civilians that something is afoot across New Jersey and is tasked to find out what. When one of the former friends is captured, both must decide where their true loyalties lie during the heat of the Battle of Yorktown as Washington's professional army, once a "rabble in arms," executes the war's most decisive contest.

With *Victory at Yorktown*, critically acclaimed authors Newt Gingrich and William R. Forstchen have reached the pinnacle of their talents in a tour de force narrative of one of America's most important heroes.

Editorial Review

From [Booklist](#)

After chronicling the Continental army's bitter winter at Valley Forge, Gingrich and Forstchen leap ahead several years in their George Washington series. In 1781, the British have a stranglehold on New York, and the revolutionary momentum has all but stalled. A bold and decisive move is needed to end the impasse, and General Washington hatches a risky plan to engage the enemy forces at Yorktown. All they need to do is to march 300 miles south without being detected to launch a surprise offensive. Of course, none of this is accomplished in a vacuum, and Washington and company must count on master spy Peter Wellsley and their French allies for both support and diversion. Following the historical record, the authors combine real-life and fictional figures as all roads lead toward the conclusion of the bitterly fought Revolutionary War. High Demand Backstory: Although Gingrich and Forstchen's military sagas are always popular, count on increased interest in America's first—and only truly bipartisan—president this election season. --Margaret Flanagan

Review

"William Dufriis follows the authors' lead and concentrates on emotions...Listeners interested in military history will be familiar with the story but intrigued by the emotions." ?*AudioFile Magazine*

About the Author

NEWT GINGRICH, candidate for President of the United States and former Speaker of the House, is the bestselling author of *Gettysburg* and *Pearl Harbor* and the longest serving teacher of the Joint War Fighting Course for Major Generals at Air University and is an honorary Distinguished Visiting Scholar and Professor at the National Defense University. He resides in Virginia with his wife, Callista, with whom he hosts and produces documentaries, including their latest, *A City Upon A Hill*.

WILLIAM R. FORSTCHEN, Ph.D., is a Faculty Fellow at Montreat College in Montreat, North Carolina and is the author of more than forty books, including the *New York Times* bestseller *One Second After* and *We Look Like Men of War*.
