Acting Professionally: Raw Facts About Careers in Acting By Robert Cohen, James Calleri

'Everybody wants to get into the act' said the old-time comic Jimmy Durante, but the fact is that becoming a professional actor requires a lot more than just the desire to break into the business. A clear understanding of how acting careers are built and the specific way that actors must position themselves in a professional environment overseen by directors, agents, casting directors and acting unions is essential to all would-be actors. *Acting Professionally* will steer you through this hugely competitive industry in the U.S., offering wise advice on everything from writing a successful resume to finding yourself an agent.

The leading book in its field since its first edition in 1972, *Acting Professionally* 7th Edition is now fully updated, with the addition of co-author James Calleri (of Calleri Casting), and a new section on digital and web-based casting procedures. With comprehensive coverage of the new technologies of internet-transmitted performance videos, website casting, and electronic submissions, *Acting Professionally* will help you to create and sustain an acting career in the twenty-first century.

Editorial Review

Review

'Of all the books on the subject, *Acting Professionally* is by far the most comprehensive and thorough.' - Daniel Yurgaitis, Northern University

'It is the leading book of its kind, and certainly the best available resource for young actors who wish to begin their professional careers.' - Harold Dixon, University of Arizona

Praise for Previous Editions:

'This is the book that every mother should stick in her son's or daughter's bag next to the chocolate chip cookies as she packs them off from Fort Wayne on their way to the wicked city - on either coast - to be an actor (or just off to college to major in the arts)...Cohen has updated his info, but maintained his devotion to the nitty gritty...his approach is eminently business like and realistic.' - Jill Charles, Regional Theatre Directory

'The most straightforward, accurate, and honest description of what the acting business is like in the United States and what it takes to break into it.' - Roger Ellis, *An Audition Handbook for Student Actors*

'Cohen performs a magnificent service both to aspiring actors and to the theatre by presenting the profession of acting in its myriad, unadorned aspects.' - Eric Forsythe, Dartmouth Alumni Magazine

'I recently read an excellent book entitled *Acting Professionally* by Robert Cohen. This book will help steer you in the right direction with its pragmatic advice and realistic picture of showbiz survival.' - Thomas Mills, "Tombudsman", in Back Stage West

'Where *Acting Professionally* differs from other texts on the market today is that it provides the most current statistics and information covering every aspect of the profession, coupled with the author's invaluable honest description of the business.' - Lori Talley, Back Stage West

The language is very straightforward all the people, so do not necessarily worry, you can easy to read the item. The book was published by famous author. The author gives you in the new period of literary works. It is possible to read this book because you can please read on your smart phone, or model, so you can read the book with anywhere and anytime. In a situation you wish to purchase the e-book, you can start their official web-site and also order it. Have a nice go through.

Joy Rodriguez:

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Acting Professionally: Raw Facts About Careers in Acting can make you truly feel more interested to read.
