### **Burning for Revenge (Tomorrow Book 5)** By John Marsden

From Hell to Stratton isn't an easy trip, especially when the enemy's headquarters lies somewhere in between. And that's exactly where Ellie and her friends unwillingly find themselves — smack in the middle of the Wirrawee airfield. With only five of them against hundreds of armed soldiers, escape seems like a suicide mission. The odds aren't good, and Kevin's nervous breakdown isn't helping matters.

Ellie and her compatriots are back, battling to stay alive and struggling to stay together in John Marsden's fifth book in the TOMORROW, WHEN THE WAR BEGAN series. High-speed truck chases, unexpected river journeys, and treachery by one of their own are just a few of the problems these Australian teens face in this gritty tale of war and survival.
