Hellion By Bertrice Small

SHE WAS CALLED BELLE FROM HELL. . . .

As fierce and indomitable as any man, Isabelle of Langston rules the family lands with an iron hand after her father's death. But the brazen beauty meets her match in Hugh Fauconier, bold knight and rightful Saxon heir to Langston Keep. By the King's hand, he is made her husband. Hugh's virile prowess reveals to Belle the delicious pleasures of the flesh, as their turbulent days of verbal sparring melt into nights of erotic abandon.

But a treacherous plot enslaves Hugh to the evil Vivienne d'Bretagne, a sorceress whose sexual magic is as powerful as it is dark. Discovering the castle lair where her husband is enchanted, Belle is caught, and rendered helpless by the twisted passion of Vivienne's brother, Guy. But not even her captor's devious ecstasy can destroy her will to free her beloved Hugh. . . .

Editorial Review

Amazon.com Review

The title says it all! Bertrice Small manages to artfully combine history and sex in this engaging medieval historical romance. Hugh Fauconier tames his virgin bride with warm caresses and soft compliments, but the novel reaches its crescendo when innocent Belle is exposed to the naughty and evil sexual sorcerer, Guy d' Bretagne.

From Publishers Weekly

Set in the early 12th century, between Henry Beauclerc's ascension to the English throne in 1100 and his eventual victory over his older brother Duke Robert of Normandy at the battle of Tinchebrai in 1106, Small's (Skye O'Malley) latest mixes a goodly bit of history with lots of her signature sex?some gruffly randy and some sinisterly practiced. Hugh Fauconier, a childhood friend of Henry Beauclerc, is rewarded with Langston, the lands of his Saxon ancestors. Like all good things, they come with fine print, in this case the late Norman lord's daughter, known with varying degrees of disaffection as Isabelle or "the Belle from Hell." But Hugh's a good sort and manages to woo the headstrong young woman, marry her and father a son before going off on business for his king. When he doesn't return, Belle sets out in search of him. She fights off the lustful King Henry in one of the more entertaining sections before heading to Brittany, where she finds the amnesiac Hugh in thrall to two decadent descendants of Vivienne (as in Merlin and). Belle herself becomes a strangely willing sex slave as she attempts, somewhat leisurely, to save Hugh. There's lots of history here and a good eye for detail, and the sex is (usually) compelling, but Small really needs to lose those gratuitous spanking scenes.

Review

Isabelle of Langston has no intentions of marrying Hugh Fauconier, even though the king decrees it. Known as "Belle from Hell," she is a strong-willed woman determined to have her way in all things. But Hugh wants Langston and Belle. He woos her with gentle intensity until she willingly gives her heart and her body to him. Their passion is as powerful as their love and Belle discovers that marriage to Hugh is everything she could ever want. Dark forces seek to separate the lovers when Hugh is enchanted by a sorceress who wants him for her own. Though Hugh and Belle's love is strong, the sex magic of Vivienne d'Bretagne is stronger. Hugh forgets his past-- forgets Belle-- and becomes Vivienne's lover. Belle's search for her missing husband leads her to the castle of the d'Bretagnes. Masquerading as a young man, Belle's identity is discovered by Vivienne's brother Guy. He wants Belle for his own plaything and weaves his web of magic to ensure that she will stay by his side. Unlike Hugh, Belle must endure Guy's passion with her memory intact. Her heart cries out for her beloved Hugh while Guy takes her to new heights of ecstasy. Caught up in the dark desires of their captors, Hugh and Belle must find a way to break free of the spell that enslaves them. For Belle, the torture of giving her body to another man is only a shadow of the pain she feels at seeing her husband with another woman. Determined to win her husband back, Belle plays her part to perfection. But when Hugh discovers what lengths his wife has gone to in order to save him, will he be able to forgive her? Intensely erotic scenes and language have become hallmarks of Bertrice Small's fiction and Hellion is no exception. The story is lush, passionate and often explicit in its descriptions of lovemaking. An unusual menage a trois scene may surprise some readers, but fans of Bertrice Small have come to expect excellence from her and they will not be disappointed in Hellion.Hellion is Bertrice Small at her very best! Her fans will be lining up to buy this one! Magnificent! Once again, Bertrice Small proves herself to be the reigning queen of romance! Erotica, romance, love and lust! Hellion is the perfect book to keep you warm on a cold winter's night! Some authors push the boundaries of romantic fiction to the limits-- Bertrice Small doesn't just push the limits, she

reinvents them! Kristina Wright -- Copyright © 1994-97 *Literary Times, Inc.* All rights reserved -- From *Literary Times*

Users Review

From reader reviews:

Christopher Milbrandt:

Book is actually written, printed, or highlighted for everything. You can realize everything you want by a guide. Book has a different type. As it is known to us that book is important point to bring us around the world. Beside that you can your reading ability was fluently. A guide *Hellion* will make you to always be smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think that will open or reading a new book make you bored. It isn't make you fun. Why they may be thought like that? Have you trying to find best book or appropriate book with you?

Antoine Dejean:

What do you in relation to book? It is not important along with you? Or just adding material when you want something to explain what the one you have problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They have to answer that question mainly because just their can do this. It said that about guide. Book is familiar in each person. Yes, it is appropriate. Because start from on *jardín de infancia* until university need that *Hellion* to read.

Owen Neri:

Reading can called head hangout, why? Because when you are reading a book particularly book entitled *Hellion* your brain will drift away trough every dimension, wandering in each and every aspect that maybe mysterious for but surely will become your mind friends. Imaging each and every word written in a e-book then become one form conclusion and explanation this maybe you never get just before. The *Hellion* giving you another experience more than blown away your head but also giving you useful facts for your better life on this era. So now let us show you the relaxing pattern here is your body and mind will probably be pleased when you are finished reading through it, like winning a. Do you want to try this extraordinary shelling out spare time activity?

Byron Hiebert:

What is your hobby? Have you heard which question when you got learners? We believe that that question was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. And also you know that little person just like reading or as reading become their hobby. You must know that reading is very important in addition to book as to be the thing. Book is important thing to provide you knowledge, except your own teacher or lecturer. You will find good news or update about something by book. Different categories of books that can you choose to use be your object. One of them is *Hellion*.
