Learn How to Quickly Solve Difficult Praxis II Test Questions

Here's a little "secret" about the Praxis II Subject Test: the Praxis II test is what we in the test preparation field call a "content driven" test.

While some tests are looking to see what you are ABLE to learn, the purpose of the Praxis II: Subject Assessment, offered by the Educational Testing Service (ETS), is to test your understanding of what you have already learned. The goal of the Praxis II test is to use a standardized testing process to create an objective assessment of a test taker's knowledge and skills.

In other words, it's more about **what you know** than your ability to solve clever puzzles. This is good news for those who are serious about being prepared, because it boils down to a very simple strategy:

You can succeed on the Praxis II test by learning critical concepts on the test so that you are prepared for as many questions as possible.

Repetition and thorough preparation is a process that rewards those who are serious about being prepared, which means that succeeding on the Praxis II test is within the reach of virtually anyone interested in learning the material.

This is great news! It means that if you've been worried about your upcoming Praxis II test, you can rest easy IF you have a good strategy for knowing what to study and how to effectively use repetition to your advantage.

But it also creates another set of problems.

If you tried to memorize every single possible thing you can for the Praxis II test, the field of possible things to review would be so huge that you could not hope to cover everything in a reasonable time.

That's why we created the *Praxis II Exam Flashcard Study System*: we have taken all of the possible topics and reduced them down to the **hundreds of concepts you must know** and provided an easy-to-use learning method to guarantee success on the Praxis II test.

We wanted this system to be simple, effective, and fast so that you can succeed on your Praxis II test with a minimum amount of time spent preparing for it. --

Here Are Some of the Features of Our *Praxis II Exam Flashcard Study System*

- Study after study has shown that repetition is the most effective form of learning- and nothing beats flashcards when it comes to making repetitive learning fun and fast
- Flashcards engage more of your senses in the learning process- you "compete" with yourself to see if you know the answers to the questions, and the flipping action gets you actively involved in the learning

process

- Our concept cards include in-depth explanations- you won't see any "one word" answers on our cards that require you to go get a textbook to understand why your answer was wrong- all of our cards include generous, thorough explanations so you not only get it right or wrong- but you also know why!
- We use a font created by Microsoft to make reading easier- this will enable you to absorb more information painlessly during late night study sessions

- It's easy for a friend to help you study- they don't even have to know anything about the Praxis II test- if they can read, then they can quiz you with our flashcards!

Now, let us explain what the *Praxis II Exam Flashcard Study System* is not. It is not a comprehensive review of your education, as there's no way we could fit that onto a single set of flashcards.

Don't get us wrong: we're not saying that memorization alone will automatically result in a passing Praxis II test score- you have to have the ability to apply it as well. However, without the foundation of the core concepts, you cannot possibly hope to apply the information. After all, you can't apply what you don't know.
