### About Secrets Exposed:

Her enemy is her passion, her passion is her enemy...

Lindsey Paxton was once the number one defense attorney in New York. She fought for those who were innocent, but charged. Her instincts were her lifeline, never failing her, as they guided her in her choices of who to defend. Or so she thought. Until she won a case she would forever wish to have lost. Her client, an accused rapist, kills and rapes a woman only a day after being set free. Destroyed by her role in the woman's death, Lindsey blames her father's controlling ways for what she has become, and runs from her career and life. Years later - the past becomes the present . . . Her father has cancer, and Lindsey is forced to leave her career with the Washington branch of the FBI. She finds herself facing the responsibility of running her father's law firm with the reluctant help of hotshot attorney Mark Reeves, a man who sparks her temper while also managing to tempt her heart, while setting her body on fire! With his help she finds herself fighting the emotional battles of the past, tempted to trust both him and her instincts. Now, faced with a case inherited from her father so similar to her career-ending one, she now must decide if her instincts will lead her down the path to saving an innocent man or setting free another killer. But while she fights her own battles, someone watches, wanting from the past what he had failed to get the first time . . . Lindsey.

NOTE: Previously released as Hidden Instincts.

### EXCERPT:

Her elbow hit the coffee mug, and it plunged into her lap.

Lindsey jumped as the hot liquid splashed her skin and seeped into her dress.

"Great! Just great." She reached for a tissue in the top desk drawer. "Figures," she mumbled grumpily. "Bad day, bad luck, bad everything."

She blotted at the moisture on the silky material for a moment and then dropped her elbows to her desk, letting her face fall into her hands. She needed a minute.

It had been a long night of no sleep, her thoughts and emotions raw from her argument with her father. Sighing heavily, she yanked more napkins from the drawer and stood up. Tugging at her dress, she lifted the damp cloth away from her skin.

"Need some help?" A deep, masculine voice came from nowhere, it seemed.

Lindsey jumped yet again, one hand flying to her chest.

She looked up to find Mark Reeves standing in the doorway. Her eyes went wide at the sight he made. Sexy, powerful, and far too attractive for Lindsey's comfort, he seemed to fill the room with his presence. A warm awareness danced along her nerve endings. This man got to her without even trying.

She had forgotten what it was like to have sex--until now. Mark sent vivid, not-so-pure thoughts, racing through her mind. Just being near him seemed to remind every inch of her body what she had been missing the past few years. She wasn't immune to her carnal needs. They just hadn't been stimulated.

Until now.
