The Girlfriend Request By Jodie Andrefski

Emma has been best friends with Eli since she moved to his neighborhood ten years ago. Tired of being cast in the role of the girl next door, Emma creates a fake Facebook profile in the hopes of starting an online friendship with Eli, which would hopefully lead to more. Like...way more. From friend request to In a Relationship--it all seemed so completely logical when she'd planned it. Eli can't figure out what Emma is up to. He's pretty sure she's the one behind the Facebook profile, but then again, why would she do something so drastic instead of just admitting she wants to be more than friends? And who the heck is this new guy he saw her with? Eli starts to think that just maybe...he missed his chance with the girl next door. Two best friends, one outlandish ruse. Their status is about to become way more than It's Complicated...

Editorial Review

Review

FIVE STARS "This book was so perfectly adorable but I wanted to slap and hug the characters at the same time! This book is definitely among my top favourites, I was smiling like an idiot after I finished reading this." - **Poulami Gosch , Daydreaming Books**

"The beauty of young romance - it's a clean, sweet, romance that would make you want to scream in frustration at some points, and yet would make you heart warm in the innocence and complications of young love." - **ChuCha, Reviews of a Book Maniac**

"This was a wonderful read for a younger YA crowd and teens alike. I think adults will enjoy it, as well, as long as you're being realistic about these being teen characters. I would definitely try another book by this author." - **My Crazy Bookish Life**

"The Girlfriend Request was about a girl getting that guy that she had been in love with since she moved in next door, a typical girl meets boy story that focused on the everyday issues of this particular teenager. While it's good to have a bang at the climax of the story, having the incredibly realistic aspect of the book was refreshing and unique, in a strange way." - **Moriah, A Leisure Moment**

"This was a very cute story [...] A series of misunderstandings and poor decisions causes turmoil and threatens to tear their friendship apart. Will the truth be revealed and happiness ensue? You will have to read the story to find out." - **Jeremy Reppy**

"Seriously, it's one of those "never happens in real life" stories except Emma got every single one of those cute things we all wish would happen to us. Granted, it wasn't easy for her to get to those cute scenes, and she brought the drama on herself, but snap it was adorable!" - **K.M. Robinson, Reading Transforms**

"THE GIRLFRIEND REQUEST is a story about a girl who can't manage to work up the courage to tell her best friend that she loves him. As everything goes wrong in her plan to tell him without actually telling him, a beautiful story about loving and forgiving is woven." - **Brett Jonas, Book Squirt**

About the Author

Jodie Andrefski has been passionate about reading ever since she was a little girl, when she used to climb trees to escape with a favorite book. She lives and writes in a small town in Pennsylvania with her teenage daughter, and has an older son who is out and about on his own. Though still an avid reader, she now prefers a comfy chair over the crook of a tree. An unapologetic coffee fiend, she's even happier if her java comes with pie.

Andrefski often draws on her background in education and mental health counseling to bring real world experience to her writing. She is a firm believer in the magic of a first kiss, and insists that you should never, ever give up on your dreams. #AlwaysKeepFighting
