The Sheikh's Secret Son (Fortunes of Texas Book 7) By Kasey Michaels

Five years ago, international business lawyer Eden Fortune lost her heart during a whirlwind romance in Paris. She hadn't pegged oil tycoon Ben Ramir as a love 'em and leave 'em kind of guy. Some women might have fallen apart, but Fortune women are made of sterner stuff. So Eden went back to Texas and gave birth to a son, doing her best to put memories of the baby's father behind her. But then Ben came back into her life, and Eden discovered *his* little secret: he rules a kingdom across the globe.

And now that he's discovered *her* secret--their son--she fears Ben's only interest is in claiming his child. As tempers and temptation give way to heated words and hot embraces, Eden must make a choice that could break her heart all over again--or bring a second chance at happiness.
