## Thus Spoke Zarathustra: A Book for Everyone and No One (Penguin Classics) By Friedrich Nietzsche

**Friedrich Nietzsche's most accessible and influential philosophical work, misquoted, misrepresented, brilliantly original and enormously influential**

Nietzsche was one of the most revolutionary and subversive thinkers in Western philosophy, and Thus Spoke Zarathustra remains his most famous and influential work. It describes how the ancient Persian prophet Zarathustra descends from his solitude in the mountains to tell the world that God is dead and that the Superman, the human embodiment of divinity, is his successor. Nietzsche's utterance 'God is dead', his insistence that the meaning of life is to be found in purely human terms, and his doctrine of the Superman and the will to power were all later seized upon and unrecognisably twisted by, among others, Nazi intellectuals. With blazing intensity and poetic brilliance, Nietzsche argues that the meaning of existence is not to be found in religious pieties or meek submission to authority, but in an all-powerful life force: passionate, chaotic and free.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

### Editorial Review

#### Review

, also translated as Thus Spoke Zarathustra. Treatise by Friedrich Nietzsche, written in four parts and published in German between 1883 and 1885 as Also sprach Zarathustra. The work is incomplete, but it is the first thorough statement of Nietzsche's mature philosophy and the masterpiece of his career. It received little attention during his lifetime but its influence since his death has been considerable, in the arts as well as philosophy. Written in the form of a prose narrative, Thus Spoke Zarathustra offers the philosophy of its author through the voice of Zarathustra (based on the Persian prophet Zoroaster) who, after years of meditation, has come down from a mountain to offer his wisdom to the world. It is this work in which Nietzsche made his famous (and much misconstrued) statement that "God is dead" and in which he presented some of the most influential and well-known (and likewise misunderstood) ideas of his philosophy, including those of the *Uebermensch* ("overman" or "superman") and the "will to power." Though this is essentially a work of philosophy, it is also a masterpiece of literature. The book is a combination of prose and poetry, including epigrams, dithyrambs, and parodies as well as sections of pure poetry. --The Merriam-Webster Encyclopedia of Literature

The most famous Nietzsche book which formed part of his 'campaign against morality' [...] the German philosopher explores the ethical consequences of the 'death of God'. Some say the book was a catalyst in Hitler's thinking and the rise of the far-right, others that *Zarathustra* was the most important text on human potential ever written. Hear it for yourself. The Naxos AudioBook also includes helpful introductions to every chapter, --*Bukowski on Bukowski* zine

#### Language Notes

Text: English (translation)

Original Language: German

#### About the Author

Frederich Nietzsche (1844-1900) became the chair of classical philology at Basel University at the age of 24 until his bad health forced him to retire in 1879. He divorced himself from society until his final collapse in 1899 when he became insane. He died in 1900. R.J. Hollingdale translated 11 of Nietzsche's books and published 2 books about him.

### Users Review

#### From reader reviews:

#### Brenda Taylor:

Book will be written, printed, or highlighted for everything. You can recognize everything you want by a publication. Book has a different type. To be sure that book is important issue to bring us around the world. Next to that you can your reading expertise was fluently.
