Virtuous (Quantum Series) (Volume 1) By M.S. Force

New York Times bestselling author Marie Force writing as M.S. Force...

He's a sexual dominant. She's sworn off sex. There's no way they can make a relationship work—or can they? After surviving a traumatic event at age fifteen and the ensuing estrangement from her family, Natalie Bryant has worked for years to reinvent herself into the woman she is today—a happy teacher fresh out of college and enjoying her first winter in New York City with her faithful dog, Fluff, by her side. Natalie isn't expecting her life to change completely during a routine stroll through Greenwich Village on a blustery January day. But when Fluff breaks loose and charges into a park, Natalie gives chase and crashes into her destiny. Only after Fluff bites and draws blood from the man who accidentally knocked Natalie down does she realize Fluff has bitten the biggest movie star in the world.

He has no business being enthralled by the gorgeous, young, innocent teacher... Natalie captivates Flynn Godfrey from the first moment their eyes meet while she is lying on the ground and he's fighting off her ferocious little beast of a dog. The only thing Flynn knows for certain is if he lets Natalie get away, he'll regret it for the rest of his life. After only a short time in her presence, Flynn is prepared to change who he is to be what she needs. He knows he's in big trouble when she says she won't sleep with him and he doesn't care if it means he gets to keep her in his life. But can he turn his back on the lifestyle that has defined him? Can he deny the desires that drive him to give Natalie the introduction to love and romance she so deserves? And most of all, can he keep his truth hidden from her long enough to have forever with her?

Join Flynn and Natalie as their story unfolds in three full-length books released three weeks in a row: VIRTUOUS, VALOROUS and VICTORIOUS. From New York to Los Angeles, from Hollywood to Las Vegas, Flynn and Natalie's whirlwind love affair has it all—romance, passion, steamy hot sex, relentless paparazzi and a murder that could be their undoing.

If you hate dirty-talking heroes who put it all on the line for the women they love, who leave no desire unfulfilled, who will do anything it takes to protect what's theirs...If elements of B.D.S.M. make you queasy, if smoking hot sex isn't your thing, if cliffhangers make you rage, if you hate first-person points of

view from the heroine AND the hero... this trilogy is NOT for you! You've been warned...

Review

"I honestly fell in love with Flynn. Talk about a book boyfriend. Ladies you don't know what you're missing."--5 star review of **VIRTUOUS** from Schemxy Girl Book Blog

"I am going to make this very easy for you all - M. S. Force's new Quantum Trilogy? Get it on your TBR. #OCTB. Whatever you have to do, but make a point to read these three books, because based on Virtuous, the first book out today, this series is going to be AHHHH-MAZING."--Review of **VIRTUOUS** at The Literary Gossip

"First, the writing is impeccable, as one would expect from Ms. Force. It's clean, filled with wit and sensuality and the storyline is one that almost every woman can relate to..."--4 star review of **VIRTUOUS** at The Romance Reviews

"Virtuous has everything we've come to expect from a Marie Force book- a beautifully written, emotional story, engaging characters, brilliant dialogue, and lots of romance. Writing for the first time as M.S. Force, she gives readers the added bonus of hot, steamy sex, dirty talk, and BDSM. While this series might not appeal to all of Marie's readers, I loved it and can't wait for the next installment!"--4 star review of **VIRTUOUS** at Guilty Pleasures Book Reviews

"This is an erotic romance but I loved that the story did *not* revolve around the sex. The heart of the story was *them* and the sex complimented the story, but it was not the center of it. Every scene drove the story forward and was (in some way) character building. THIS is how a strong erotic romance should be!...This book just had everything I love it in. It had amazing writing, a gripping story, characters I fell in love with and respected, and a romance that made my heart melt."--Aestas Book Blog

"I'm highly anticipating the next book in the Quantum Trilogy. I want to know what happens."--four star review of **VIRTUOUS** by Night Owl Erotica
