**A Friendly Reminder: Time is Fast Running Out!** By Victoria Nehale

This book is a friendly reminder of things many people know but some choose to ignore or rationalize what they know deep in their heart of hearts, because of the fear of facing reality or out of plain rebellion. Unfortunately there are certain facts which will never change no matter what. This book serves to remind us of some of those facts: -Jesus is coming back soon -Heaven and hell are no myths, they really do exist -We are spirit beings living in mortal physical bodies -One day everybody will experience separation between their mortal and immortal bodies through death. -The immortal being cannot die and can only choose between two destinations: heaven or hell. -The choice can only be made on this side of the grave -The only hope for the immortal being is a man called Jesus

## **Editorial Review**

### **About the Author**

Victoria Nehale was born and lived in Namibia all her life. She is the last born of seven siblings. She surrendered her life to Jesus on February 06, 2005. The Lord Jesus Christ has revealed many things in the spiritual realm to her including a couple of trips to hell. She was instructed to share her experiences with the people and has been warned not to add anything or omit anything from whatever the Lord Jesus Christ showed or told her. By the time of the writing of this book, she had thirty three visitations from the Lord Jesus Christ. Every single time of those visitations, the Lord would tell her before leaving that: TIME IS RUNNING OUT FAST.
