A Walk Across America By Peter Jenkins

Twenty-five years ago, a disillusioned young man set out on a walk across America. This is the book he wrote about that journey -- a classic account of the reawakening of his faith in himself and his country.

"I started out searching for myself and my country," Peter Jenkins writes, "and found both." In this timeless classic, Jenkins describes how disillusionment with society in the 1970s drove him out onto the road on a walk across America. His experiences remain as sharp and telling today as they were twenty-five years ago -- from the timeless secrets of life, learned from a mountain-dwelling hermit, to the stir he caused by staying with a black family in North Carolina, to his hours of intense labor in Southern mills. Many, many miles later, he learned lessons about his country and himself that resonate to this day -- and will inspire a new generation to get out, hit the road and explore.

Editorial Review

From the Inside Flap

"Reading Jenkins' book is the next best thing to having actually walked along beside him." Associated Press
With his own feelings echoing the disillusionment of his whole generation, Peter Jenkins set out with his dog Cooper to walk across America and find out what his country was really about. Along the way, Jenkins' faith and pride in his country -- and himself -- were tested and ultimately restored. Yours will be too as you read his amazing story.

About the Author

Peter Jenkins is the author of *The Walk West, Along the Edge of America, Across China* and *Looking for Alaska*.

Users Review

From reader reviews:

Quentin Ryan:
