**Chosen (House of Night, Book 3): A House of Night Novel** By P. C. Cast, Kristin Cast

Dark forces are at work at the House of Night and fledgling vampyre Zoey Redbird's adventures at the school take a mysterious turn. Those who appear to be friends are turning out to be enemies. And oddly enough, sworn enemies are also turning into friends. So begins the gripping third installment of this "highly addictive series" (*Romantic Times*), in which Zoey's mettle will be tested like never before. Her best friend, Stevie Rae, is undead and struggling to maintain a grip on her humanity. Zoey doesn't have a clue how to help her, but she does know that anything she and Stevie Rae discover must be kept secret from everyone else at the House of Night, where trust has become a rare commodity. Speaking of rare: Zoey finds herself in the very unexpected and rare position of having *three* boyfriends. Mix a little bloodlust into the equation and the situation has the potential to spell social disaster. Just when it seems things couldn't get any tougher, vampyres start turning up dead. Really dead. It looks like the People of Faith, and Zoey's horrid step-father in particular, are tired of living side-by-side with vampyres. But, as Zoey and her friends so often find out, how things appear rarely reflects the truth...

## **Editorial Review**

From School Library Journal

Grade 10 Up—This installment picks up exactly where *Betrayed* (St. Martin's, 2007) left off. Zoey Redbird, leader of the Dark Daughters and vampyre fledgling extraordinaire, has discovered some mysterious and disturbing events occurring at her vampyre finishing school. Her ex-roommate and best friend, Stevie Rae, is "undead" and only due to Zoey's love and belief that she still possesses some humanity has Stevie Rae not become a true monster. Zoey must quickly find a way to reverse what has been done to her before it is too late. To complicate matters, Zoey is forced to keep this a secret from her friends and has been betrayed by her mentor and advisor, Neferet. Zoey knows that Neferet is behind the creation of these "undead" creatures and is not at all what she seems. For help, she turns to her rival, Aphrodite, who becomes her confidante and partner in crime. Horror strikes the House of Night when two professors end up brutally murdered. Cast takes the series up a notch with this installment, and readers will be on the edge of their seats waiting for its continuation. This book is a must for any library with a vampire following—but it does contain explicit language and sexual situations.—*Donna Rosenblum, Floral Park Memorial High School, NY*

## **Review**

Praise for The House of Night:

“The Cast and Cast team is back and stirring up deep trouble in their beguiling supernatural world....The issues faced by these teens are not child's play, and the stakes are life and death.”

—*Romantic Times* (4 ½ stars) on *Betrayed*

“Cast reeled me in from paragraph one. I...devoured it in one sitting.”

—MaryJanice Davidson, *New York Times* bestselling author of the Undead series on *Marked*

“*Marked* is one of the best coming of age stories to come out of Oklahoma since S. E. Hinton's *The Outsiders*. It teaches about the beauty of being a social outcast, friendship, and finding your own inner spirituality.”
