In the sequel to Paranormal Public, Charlotte continues to explore her powers.

She wasn't expecting it to be easy, and it isn't.

Now, demons beat at the protections surrounding Public, and inside the safety of the grounds is a new threat, an old resentment that has nothing to do with demons, but is born of a much more personal pain.

Luckily, she isn't the target.

Or is she?

Now, she and her friends must stand together to protect each other, even if they don't know from whom . . . until it's too late.
