Now in its Fifth Edition, *Introductory Chemistry* continues to foster deep engagement in the course by showing how chemistry manifests in your daily life. Author Nivaldo Tro draws upon his classroom experience as an award-winning instructor to extend chemistry from the laboratory to your world, with relevant applications and a captivating writing style. Closely integrated with the fifth edition of *Introductory Chemistry*, MasteringChemistry® gives you the tools you need to succeed in this course.

This program provides you a better learning experience. It will help you to:

- **Personalize learning with MasteringChemistry®:** This data-validated online homework, tutorial, and assessment program helps you quickly master concepts, and enables instructors to provide timely intervention when necessary.
- **Achieve deep conceptual understanding:** Several new Conceptual Checkpoints and Self-Assessment Quizzes help you better grasp key concepts.
- **Develop problem-solving skills:** A step-by-step framework encourages you to think logically rather than simply memorize formulas. Additional worked examples, enhanced with audio and

video, reinforce challenging problems.

- **Maintain interest in chemistry:** The inclusion of concrete examples of key ideas throughout the program keeps you engaged in the material.
