Luther's Works, Vol. 3: Genesis Chapters 15-20 (Luther's Works (Concordia)) By Martin Luther

Luther's Works: The American Edition, published by Concordia and Fortress Press between 1955 and 1986, comprises fifty-five volumes. These are a selection representing only about a third of Luther's works in the Latin and German of the standard Weimar Edition, not including the German Bible. The Lectures on Genesis are remarkably extensive in their sweep and give conclusive proof of extraordinary diligence. Luther expounds Scripture in the light of Scripture. Furthermore, he couches his treatment of the Biblical text in a language of simplicity without compromising his forthright way of speaking that evidences profound learning. In the third volume of the American Edition of Luther's Works (Genesis 15—20) the great man of God deals with numerous happenings in the colorful and exciting career of Abraham, the father of the faithful. As he does so, he pays special attention to Sarah, Hagar, Ishmael, Lot, and others. He is always at pains to point to the guiding hand of God. Human beings often sin—either willfully or out of the weakness of the flesh—but God is always present to shape the course of events and to reveal abiding love as well as unflinching justice.

Editorial Review

About the Author

Martin Luther (1483, 1546) was a German monk, a theologian and church reformer, he is considered to be the founder of Protestantism. Luther was a professor of Bible at the University of Wittenberg when he posted his famous 95 Theses (1517). In addition to writing many books, Luther translated the Bible into German. Luther believed that salvation was only by faith in Jesus, unmediated by the church. He challenged papal authority by emphasizing the Bible as the only source of religious authority and believed the church to be a priesthood of all believers. These ideas helped to inspire the Protestant Reformation and changed the course of Western civilization. He married Katharina von Bora thus initiating the practice of clerical marriage within Protestantism.- Publisher.

Jaroslav Pelikan is Sterling Professor of History at Yale University.

Users Review

From reader reviews:

Antoine Harris:
