Editorial Review

Amazon.com Review

Coauthor of the funny and hip *Sex Tips for Straight Women from a Gay Man*, Dan Anderson returns with hints for his less-experienced fellows, including advice on how to work a gay bar, how to dodge trolls, and how to decorate your apartment cheaply but with flair. There's less explicit sex talk here than the title suggests, but neophytes will appreciate learning a few new come-ons and some variations on the Princeton Belly Rub. A section rating the romantic and sexual viability of gay types, from Gym Bunny to Girleen to Bossy Bottom, is less helpful and mainly an opportunity for cracking jokes. Not one of the types turns out to be all-around wonderful, so the unwritten message is that if your date can be this easily categorized, he isn't worth the effort. *Sex Tips for Gay Guys* is light reading for the truck stop or the bubble bath. --Regina Marler
